QUESTIONS AND ANSWERS ON VOTING

Q: What am I voting on?

A: Holders of common shares (“**Shareholders**”) of Aecon Group Inc. (“**Aecon**”) are voting on the election of directors to the board of directors of Aecon (the “**Board**”) until the next annual meeting of Shareholders, the advisory resolution to accept the Corporation’s approach to executive compensation, the repeal of old By-law No. 1 and the ratification of new By-law No. 1 of the Corporation, the reappointment of the auditors of Aecon for 2014 and the Board’s authorization to fix their remuneration and such other business as may be properly brought before the 2014 annual meeting of Shareholders (the “**Meeting**”), or any adjournment thereof.

Q: Who is entitled to vote?

A: Only Shareholders as at the close of business on May 7, 2014 are entitled to vote. Shareholders are entitled to one vote in respect of each share held on those items of business identified in the accompanying Notice of Annual Meeting of Shareholders of Aecon Group Inc. (the “**Notice of Meeting**”).

Q: How do I vote?

A: There are several ways you can vote your shares if you are a registered Shareholder. You may: (i) vote in person at the Meeting; (ii) sign the enclosed form of proxy appointing the named persons or some other person you choose, who need not be a Shareholder, to represent you as proxyholder and to attend the Meeting and to vote your shares; (iii) vote electronically on the internet at www.investorvote.com; or (iv) vote using a touch-tone phone by contacting Computershare Investor Services Inc. at +1-866-732-8683. If your shares are held in the name of a nominee, please see the final question and answer set out on pages (ii) and (iii) for voting instructions.

Q: What if I plan to attend the Meeting and vote in person?

A: If you are a registered Shareholder and plan to attend the Meeting on June 11, 2014 and wish to vote your shares in person at the Meeting, do not complete or return the form of proxy and do not vote on the internet or by telephone. Your vote will be taken and counted at the Meeting. Please register with Aecon’s transfer agent, Computershare Investor Services Inc., upon arrival at the Meeting. If your shares are held in the name of a nominee, please see the final

question and answer set out in this section for voting instructions.

Q: Who is soliciting my proxy?

A: The enclosed form of proxy is being solicited by the management of Aecon and the associated costs will be borne by Aecon. The solicitation will be made primarily by mail but may also be made by telephone, in writing or in person by employees of Aecon and/or Computershare Investor Services Inc.

Q: What if I sign the form of proxy enclosed with this circular?

A: Signing the enclosed form of proxy gives authority to John M. Beck or L. Brian Swartz, each of whom is an officer of Aecon, or to another person you have appointed in the form of proxy, to vote your shares at the Meeting.

Q: Can I appoint someone other than members of management of Aecon to vote my shares?

A: Yes. Write the name of this person, who need not be a Shareholder, in the blank space provided in the form of proxy. It is important to ensure that any other person you appoint that is attending the Meeting is aware that he or she has been appointed to vote your shares. Proxyholders should, upon arrival at the Meeting, present themselves to a representative of Computershare Investor Services Inc. If you vote by telephone, you cannot appoint anyone other than the appointees named on the proxy form as your proxyholder.

Q: What do I do with my completed proxy?

A: Return it to Aecon’s transfer agent, Computershare Investor Services Inc., in the envelope provided, or by fax to +1-866-249-7775 within Canada and the United States, or +1-416-263-9524 from all other countries, so that it is received no later than 9:00 a.m. (Mountain Daylight Time) on June 9, 2014. This will ensure that your vote is recorded. Alternatively, electronic voting is available for the Meeting on the internet at www.investorvote.com and telephone voting is available by contacting Computershare Investor Services Inc. at +1-866-732-8683. Further details on the electronic and telephone voting processes are provided in the enclosed form of proxy. If you vote using the internet or by telephone, do not complete or return the form of proxy.

Q: Can I change my vote once I have voted on the internet or by telephone or take back my proxy once I have given it?

A: Yes. If you voted on the internet or by telephone, you may vote again through such means before 9:00 a.m. (Mountain Daylight Time) on June 9, 2014. If you submitted a proxy and wish to revoke your proxy, prepare a written statement to this effect. The statement must be signed by you or your attorney as authorized in writing or, if the Shareholder is a corporation, under its corporate seal or by an officer or attorney of the corporation duly authorized. This statement must be delivered either to Aecon by fax at +1-416-940-2290 at any time up to and including the last business day preceding the day of the Meeting or any adjournment thereof at which the proxy is to be used or to the Chairman on the day of the Meeting, or any adjournment thereof.

Q: How will my shares be voted if I give my proxy?

A: The persons named on the form of proxy must vote for or against or withhold from voting your shares in accordance with your directions, or you can let your proxyholder decide for you. In the absence of such directions, proxies received by management will be voted FOR the election of directors to the Board, FOR the advisory resolution on the Corporation's approach to executive compensation, FOR the repeal of old By-law No. 1 and ratification and confirmation of new By-law No. 1 and FOR the reappointment of the auditors together with the Board's authorization to fix their remuneration.

Q: What if amendments are made to these matters or if other matters are brought before the Meeting?

A: The persons named in the form of proxy will have discretionary authority with respect to amendments or variations to matters identified in the accompanying Notice of Meeting and with respect to other matters which may properly come before the Meeting. As of the time of printing of this management information circular, the management of Aecon knows of no such amendment, variation or other matter expected to come before the Meeting. If any other matters properly come before the Meeting, the persons named in the form of proxy will vote on them in accordance with their best judgment.

Q: How many shares are entitled to vote?

A: As at May 7, 2014, there were 56,448,816 common shares of Aecon outstanding. Each registered Shareholder has one vote for each common share held at the close of business on May 7, 2014.

Q: How will the votes be counted?

A: Each question brought before the Meeting is determined by a majority of votes cast on the question.

Q: Who counts the votes?

A: Aecon's transfer agent, Computershare Investor Services Inc., counts and tabulates the votes. This is done independently of Aecon to preserve the confidentiality of individual Shareholder votes. Proxies are referred to Aecon only in cases where a Shareholder clearly intends to communicate with management, the validity of the proxy is in question or where it is necessary to do so to meet the requirements of applicable law.

Q: If I need to contact the transfer agent, how do I reach them?

A: You can contact the transfer agent by mail at:

Computershare Investor Services Inc.
8th Floor
100 University Avenue
Toronto, Ontario M5J 2Y1

or by telephone within Canada and the United States at +1-800-564-6253 and from all other countries at +1-514-982-7888.

Q: If my shares are not registered in my name but are held in the name of a nominee (a bank, trust company, securities broker, trustee or other), how do I vote my shares?

A: There are two ways you can vote your shares held by your nominee. As required by Canadian securities legislation, you will have received from your nominee (or its agent) either a request for voting instructions or a form of proxy for the number of shares you hold. For your shares to be voted for you, please follow the voting instructions provided by your nominee or its agent.

Since Aecon has limited access to the names of its non-registered (or beneficial) Shareholders, if you attend the Meeting, Aecon may have no

record of your shareholdings or of your entitlement to vote unless your nominee has appointed you as proxyholder. Therefore, if you wish to vote in person at the Meeting, insert your own name in the space provided on the request for voting instructions or form of proxy and return same by following the instructions provided. Do not otherwise complete the form, as your vote will be taken at the Meeting. Please register with Aecon's transfer agent, Computershare Investor Services Inc., upon arrival at the Meeting.

SECTION ONE – MANAGEMENT INFORMATION CIRCULAR – VOTING MATTERS

SOLICITATION OF PROXIES

This Management Information Circular (the “**Circular**”) is furnished in connection with the solicitation of proxies by management of Aecon Group Inc. (the “**Corporation**” or “**Aecon**”) to be used at the annual meeting (the “**Meeting**”) of holders of common shares of the Corporation (“**Shareholders**”) to be held at 9:00 a.m. (Mountain Daylight Time) on June 11, 2014 for the purposes set out in the accompanying Notice of Annual Meeting of Shareholders of the Corporation (the “**Notice of Meeting**”). It is expected that the solicitation will be made primarily by mail, supplemented possibly by telephone or other personal contact by management or regular employees of the Corporation and/or the Corporation’s transfer agent, Computershare Investor Services Inc. The cost of any such solicitation will be borne by the Corporation. The Corporation does not intend to pay any compensation for the solicitation of proxies by third parties but will pay the reasonable expenses of persons who are the registered but not beneficial owners of voting shares of the Corporation (such as brokers, dealers, other registrants under applicable securities laws, nominees and/or custodians) for forwarding copies of the Notice of Meeting, form of proxy, Circular and related material to beneficial owners. The Corporation will provide, without cost to such persons, upon request to the Corporate Secretary of the Corporation, additional copies of the foregoing documents required for this purpose.

Appointment, Time for Deposit and Revocability of Proxy

Each of the persons named in the enclosed form of proxy is an officer of the Corporation. **A registered Shareholder desiring to appoint some other person (who need not be a Shareholder) to attend and act for him, her or it at the Meeting may do so either by inserting such person’s name in the blank space provided in the form of proxy or by completing another proper form of proxy.** If a registered Shareholder wishes to vote by proxy, the proxy to be used at the Meeting must be delivered to Computershare Investor Services Inc., 100 University Avenue, 8th Floor, Toronto, Ontario M5J 2Y1 (fax: 1-866-249-7775 within North America or +1-416-263-9524 from all other countries). A proxy should be executed by the registered Shareholder or his or her attorney in writing or, if the registered Shareholder is a corporation, under its corporate seal or by an officer or attorney thereof duly authorized. Proxies to be used at the Meeting must be delivered to Computershare Investor Services Inc. so as to be received no later than 9:00 a.m. (Mountain Daylight Time) on June 9, 2014 (or at least 48 hours, excluding Saturdays, Sundays and holidays, before any adjournment or postponement of the Meeting at which the proxy is to be used) or delivered to the Chairman of the Meeting prior to the commencement of the Meeting, or any adjournment thereof, in order for the proxy to be voted. As an alternative to completing and submitting a proxy for use at the Meeting, a registered Shareholder may vote electronically on the internet at www.investorvote.com or by telephone by contacting Computershare Investor Services Inc. at +1-866-732-8683. Votes cast electronically or by telephone are in all respects equivalent to, and will be treated in the same manner as, votes cast via a paper form of proxy. Registered Shareholders who wish to vote using the internet or by telephone should follow the instructions provided in the enclosed form of proxy. Votes cast electronically or by telephone must be submitted no later than 9:00 a.m. (Mountain Daylight Time) on June 9, 2014 or at least 48 hours, excluding Saturdays, Sundays and holidays, before any adjournment or postponement of the Meeting.

A proxy given by a registered Shareholder may be revoked as to any motion on which a vote has not already been cast pursuant to the authority conferred by it, by instrument in writing executed by the registered Shareholder or by his or her attorney authorized in writing or, if the registered Shareholder is a corporation, under its corporate seal or by an officer or attorney thereof duly authorized, and deposited either at the registered and head office of the Corporation at any time up to and including the last business day preceding the day of the Meeting, or any adjournment thereof at which the proxy is to be used, or with the Chairman of the Meeting on the day of the Meeting or any adjournment thereof, or in any other manner permitted by law. The registered and head office of the Corporation is located at 20 Carlson Court, Suite 800, Toronto, Ontario M9W 7K6. If a registered Shareholder has voted on the internet or by telephone and wishes to change such vote, such registered Shareholder may vote again through such means before 9:00 a.m. (Mountain Daylight Time) on June 9, 2014 or at least 48 hours, excluding Saturdays, Sundays and holidays, before any adjournment or postponement of the Meeting.

VOTING SECURITIES AND PRINCIPAL HOLDERS THEREOF

The authorized share capital of the Corporation consists of an unlimited number of common shares (“**Common Shares**”). On May 7, 2014, the Corporation had 56,448,816 Common Shares outstanding, each of which carries the right to one vote in respect of each of the matters properly coming before the Meeting.

The board of directors of the Corporation (the “**Board**”) has fixed a record date of May 7, 2014 (the “**Record Date**”) to determine Shareholders entitled to receive the Notice of Meeting. The failure of any Shareholder to receive a copy of the Notice of Meeting does not deprive the Shareholder of the right to vote shares in their name at the Meeting. Only registered holders of Common Shares as of the Record Date are entitled to vote such Common Shares at the Meeting on the basis of one vote in respect of each Common Share. Approval of each resolution that will be placed before the Meeting requires a majority of the votes cast at the Meeting on the resolution.

To the knowledge of the directors and executive officers of the Corporation, as at May 7, 2014, no person or company owned beneficially, or exercised control or direction over, directly or indirectly, securities carrying in excess of 10% of the voting rights attached to any class of outstanding voting securities of the Corporation.

EXERCISE OF DISCRETION BY HOLDERS OF PROXIES

The form of proxy provided to registered Shareholders with the Notice of Meeting and this Circular provides the registered Shareholder with an opportunity to specify that the Common Shares registered in his, her or its name shall be voted or withheld from voting in respect of certain of the matters to be considered at the Meeting. On any ballot that may be called for, the Common Shares represented by proxies in favour of management nominees will be voted or withheld from voting in respect of the election of directors, the repeal of old and adoption of new By-law No. 1 and the reappointment and remuneration of auditors, in each case in accordance with the specifications made by Shareholders in the manner referred to above. **In respect of proxies in which registered Shareholders have not specified the manner of voting, the Common Shares represented by proxies in favour of management nominees will be voted: (i) FOR the election as directors of each of the persons listed as nominees in this Circular; (ii) FOR the advisory resolution on the Corporation’s approach to executive compensation (or “Say-on-Pay Vote”); (iii) FOR the resolution repealing old By-law No. 1 and ratifying and confirming new By-law No. 1 of the Corporation; and (iv) FOR the reappointment of PricewaterhouseCoopers LLP as the Corporation’s auditors and to authorize the Board to fix their remuneration.**

The enclosed form of proxy confers discretionary authority upon the proxy nominees with respect to amendments or variations of matters identified in the Notice of Meeting or other matters which may properly come before the Meeting. As of the date hereof, management knows of no such amendments, variations or other matters to come before the Meeting other than the matters referred to in the Notice of Meeting. However, if any other matters, which are not now known to management, should properly come before the Meeting, the Common Shares represented by proxies in favour of management nominees will be voted on such matter in accordance with the best judgment of the proxy nominee.

BENEFICIAL SHAREHOLDERS

The information set forth in this section is of significant importance to many Shareholders as a substantial number of Shareholders do not hold Common Shares in their own name and thus are considered non-registered beneficial Shareholders. Only registered holders of Common Shares or the persons they appoint as their proxyholder are permitted to vote at the Meeting. However, in many cases, Common Shares beneficially owned by a person (a “**Beneficial Holder**”) are registered either: (i) in the name of an intermediary (an “**Intermediary**”) (including, among others, banks, trust companies, securities dealers, brokers and trustees or administrators of self-administered RRSPs, RRIFs, RESPs and similar plans) that the Beneficial Holder deals with in respect of the Common Shares, or (ii) in the name of a clearing agency (such as the Canadian Depository for Securities Limited) of which the Intermediary is a participant. Beneficial Holders should note that only proxies deposited by Shareholders whose names appear on the records of the Corporation as the registered holders of

Common Shares can be recognized and acted upon at the Meeting. In accordance with the requirements of the Canadian Securities Administrators, the Corporation will have distributed copies of the Notice of Meeting, this Circular and the enclosed form of proxy to the clearing agencies and Intermediaries for onward distribution to Beneficial Holders. If you are a Beneficial Holder, your Intermediary will be the entity legally entitled to vote your Common Shares at the Meeting. Common Shares held by an Intermediary can only be voted upon the instructions of the Beneficial Holder. Without specific instructions, Intermediaries are prohibited from voting Common Shares.

Applicable regulatory policy requires Intermediaries to seek voting instructions from Beneficial Holders in advance of the Meeting. Often, the form of proxy supplied to a Beneficial Holder by its Intermediary is identical to the form of proxy provided to registered Shareholders; however, its purpose is limited to instructing the registered Shareholder how to vote on behalf of the Beneficial Holder. The majority of Intermediaries now delegate responsibility for obtaining instructions from clients to Broadridge Investor Communications Corporation ("**Broadridge**"). Broadridge typically mails a scannable voting instruction form in lieu of the form of proxy. The Beneficial Holder is requested to complete and return the voting instruction form to Broadridge by mail or facsimile. Alternatively, the Beneficial Holder may call a toll-free telephone number or access the internet to provide instructions regarding the voting of Common Shares held by the Beneficial Holder. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of Common Shares to be represented at the Meeting. A Beneficial Holder receiving a voting instruction form cannot use that voting instruction form to vote Common Shares directly at the Meeting, as the voting instruction form must be returned as directed by Broadridge well in advance of the Meeting in order to have such Common Shares voted.

Beneficial Holders should ensure that instructions respecting the voting of their Common Shares are communicated in a timely manner and in accordance with the instructions provided by their Intermediary or Broadridge, as applicable. Every Intermediary has its own mailing procedures and provides its own return instructions to clients, which should be carefully followed by Beneficial Holders in order to ensure that their Common Shares are voted at the Meeting.

Although a Beneficial Holder may not be recognized directly at the Meeting for the purpose of voting Common Shares registered in the name of their Intermediary, a Beneficial Holder may attend the Meeting as proxyholder for the Intermediary and vote the Common Shares in that capacity. **Beneficial Holders who wish to attend the Meeting and indirectly vote their Common Shares as a proxyholder should enter their own names in the blank space on the form of proxy or voting instruction form provided to them by their Intermediary and/or Broadridge, as applicable, and return the same in accordance with the instructions provided by their Intermediary and/or Broadridge, as applicable, well in advance of the Meeting.**

In any case, the purpose of the above noted procedures is to permit Beneficial Holders to direct the voting of the Common Shares which they beneficially own. Beneficial Holders should carefully follow the instructions and procedures of their Intermediary or Broadridge, as applicable, including those regarding when and where the form of proxy or voting instruction form is to be delivered.

Pursuant to National Instrument 54-101 – *Communication with Beneficial Owners of Securities of a Reporting Issuer* ("**NI 54-101**"), the Corporation is distributing copies of proxy-related materials in connection with the Meeting indirectly to Beneficial Holders and the Corporation intends to pay for the cost of delivery to objecting Beneficial Holders. The Corporation is not relying on the notice-and-access delivery procedure set out in NI 54-101 to distribute copies of proxy-related materials in connection with the Meeting.

SECTION TWO – MATTERS TO BE ACTED UPON AT THE MEETING

RECEIPT OF FINANCIAL STATEMENTS

The audited financial statements of the Corporation for the financial year ended December 31, 2013 and the report of the auditors thereon will be presented to the Shareholders at the Meeting.

ELECTION OF DIRECTORS

The articles of the Corporation provide for a minimum of eight and a maximum of fifteen directors. This year the Board has put forward nine nominees for election as directors at the Meeting.

After 14 years of service as a director, Rolf Kindbom will not be standing for re-election at the Meeting and will be retiring from the Board. Mr. Kindbom has made a significant contribution to the Corporation's success through his strategic advice, his sound business acumen and his dedication during his tenure. The Board and the Corporation's management wish to thank Mr. Kindbom for his service and contribution to the Corporation and its Shareholders.

The Board is pleased that Terrance L. McKibbon will be standing for election along with eight of the current directors. Mr. McKibbon's biography can be found below (see "Board Nominees"). It is proposed that each person whose name appears below be elected as a director to serve until the close of the next annual meeting of Shareholders or until his or her office is earlier vacated in accordance with the by-laws of the Corporation. Management of the Corporation does not contemplate that any of the proposed nominees will be unable to serve as a director but should that occur prior to the Meeting, the persons named in the enclosed form of proxy reserve the right to vote for another nominee at their discretion.

Majority Voting for Election of Directors

The Board believes that each director should have the confidence and support of the Shareholders of the Corporation. To this end, the Board has unanimously adopted a majority voting policy (the "**Majority Voting Policy**") and all nominees for election to the Board will be required to confirm that they will abide by the Majority Voting Policy.

Forms of proxy for the election of directors will permit a Shareholder to vote in favour of, or to withhold from voting, separately for each director nominee. The Chair of the Board will ensure that the number of shares voted in favour or withheld from voting for each director nominee is recorded and promptly made public after the meeting.

If a director nominee has more votes withheld than are voted in favour of him or her, the nominee will be considered by the Board not to have received the support of the Shareholders, even though duly elected as a matter of corporate law. Such a nominee will be expected to forthwith submit his or her resignation to the Board, effective on acceptance by the Board. The Board will refer the resignation to the Corporate Governance, Nominating and Compensation Committee (the "**CGNC Committee**") for consideration. A director nominee who tenders resignation under this Majority Voting Policy may not participate in any meeting of the CGNC Committee or Board at which the resignation is considered.

The Board will promptly accept the resignation unless the CGNC Committee determines that there are extraordinary circumstances relating to the composition of the Board or the voting results that should delay the acceptance of the resignation or justify rejecting it. In any event, the resignation will be accepted (or in rare cases rejected) within 90 days of the meeting. The Board's decision to accept or reject such a resignation and the reasons for its decision will be disclosed by press release promptly in accordance with applicable securities regulations and, in any event, within 90 days of receipt of the resignation.

Subject to any corporate law restrictions, the Board may (i) leave a vacancy in the Board unfilled until the next annual general meeting; (ii) fill the vacancy by appointing a new director who the Board considers to merit the confidence of the Shareholders; or (iii) call a special meeting of Shareholders to consider new Board nominee(s) to fill the vacant position(s).

The foregoing policy only applies in circumstances involving an uncontested election of directors. For the purpose of the Majority Voting Policy, an "uncontested election of directors" means that the number of nominees for election as a director is the same as the number of directors to be elected to the Board and that no proxy

material is circulated in support of one or more nominees who are not named as nominees in the applicable management information circular of the Corporation.

Director Share Ownership Policy

The Corporation believes that it is important for its directors to have a significant stake in the Corporation to align their interests with those of the Corporation's shareholders. The Corporation's Director Share Ownership Policy was introduced in March 2012 and required that each director hold no less than three times the director's annual retainer in Common Shares, such shares to be acquired within five years from the later of the policy's introduction or the date upon which the director joined the Board. The Director Share Ownership Policy was amended in March 2014 to increase the share requirement from three times the director's annual retainer to five times the director's annual retainer in Common Shares or deferred share units ("**DSUs**"). In determining whether each director satisfies the threshold requirements of the Director Share Ownership Policy, the current fair market value of the Common Shares or DSUs is used. As of the date of this Circular, each director of the Corporation satisfies (or has time remaining to satisfy) the threshold requirements of the Director Share Ownership Policy. As management members of the Board, Mr. Beck and Mr. McKibbin are not subject to the requirements of the Director Share Ownership Policy but are required to adhere to the Senior Executive Share Ownership Policy. Please see "Managing Compensation Related Risk – Senior Executive Share Ownership Policy" in Section Six of this Circular for further details.

DIRECTOR ATTENDANCE

The following table summarizes the attendance at Board and committee meetings held during the financial year ended December 31, 2013 of the individuals who served as directors of the Corporation in 2013 and who are standing for re-election. Consideration is given to the attendance record of directors in assessing the proposed nominees for election as directors to ensure that directors are able to continue to devote sufficient time to the business and affairs of the Corporation. During the financial year ended December 31, 2013, each proposed nominee for election as a director attended at least 94.7% of the Board and Board Committee meetings held during the period that such individual was a director of the Corporation, each member of the Audit Committee attended 100% of the Audit Committee meetings held during the period that such individual was a member of the Audit Committee, each member of the CGNC Committee attended 100% of the CGNC Committee meetings held during the period that such individual was a member of the CGNC Committee and each member of the EHS Committee attended 100% of the EHS Committee meetings held during the period that such individual was a member of the EHS Committee. DIRECTOR SUMMARY COMPENSATION TABLE

Director compensation is set by the Board on the recommendation of the CGNC Committee. The CGNC Committee seeks to maintain director compensation at a level that is competitive with director compensation at comparable companies.

The Corporation retained Towers Watson to provide benchmarking information in this regard and to provide information on general trends and practices in director compensation. In 2011, Towers Watson conducted a comparative review of director compensation drawing on two comparator groups which included construction and engineering companies based in Canada and the United States and Canadian companies with comparable revenue to the Corporation (see Section Six, “Statement of Executive Compensation – Benchmarking”). Based on the results of the benchmarking review, the CGNC Committee set the current annual retainer, committee membership and chairmanship retainers, Lead Director retainer, and meeting attendance fees. The CGNC Committee also determined that the Audit Committee Chair retainer should be differentiated from the annual retainer paid to Chairs of other committees in order to reflect the increased responsibility, risk and time commitment associated with serving as Chair of the Audit Committee. In late 2013, the Corporation retained Meridian Compensation Partners (“Meridian”) to review the Corporation’s director compensation package relative to a comparator group. Meridian concluded that Aecon’s distribution of total compensation elements is very closely aligned with the comparator group (see Section Six, “Statement of Executive Compensation – Benchmarking”). Based on Meridian’s review and recommendations, in March 2014, the Board decreased the

annual Lead Director retainer and increased the annual CGNC Committee Chair retainer to more accurately reflect the responsibility, risk and time commitment of each of those roles.

The following table sets forth the details regarding compensation paid to the Corporation's non-management directors during the financial year ended December 31, 2013:

Both the grant date fair value and accounting fair value for option-based awards are calculated using the Black-Scholes model using the assumptions described in the table under "Share Option Values and Assumptions", below. The grant date fair value of option-based awards as presented will differ from the compensation expense included for these grants in the Corporation's financial statements. In accordance with International Financial Reporting Standards, the fair value of each award at the grant date is amortized over the relevant vesting period to arrive at compensation expense in the financial statements.

DIRECTOR FEE COMPENSATION

Each non-management director of the Corporation is remunerated at the rate of \$75,000 per annum and receives \$1,500 for each meeting of the Board attended. The Chair of the Audit Committee and CGNC Committee of the Board are entitled to a further \$20,000 per annum, the Chair of the EHS Committee, receives a further \$12,500 per annum, and all committee members receive \$4,000 per annum for each committee of the Board on which they serve. The Chair and each committee member receive \$1,500 per committee meeting attended. The Vice Chairman and Lead Director receives a further \$75,000 per annum. From time to time, senior management of the Corporation requests that independent members of the Board participate in special meetings in their capacities as directors in order to both take advantage of their diverse skills and experience and to provide input on behalf of the Board for which the directors receive a special meeting fee. There were no special meetings of the Board in 2013. Independent directors also meet regularly at the end of every Board meeting. In 2013, non-management directors did not receive share-based compensation but, upon recommendation of the CGNC Committee, they were granted stock options as discussed below.

The following table sets forth the breakdown of the non-management directors' fees earned for the financial year ended December 31, 2013.

Director Option Awards

In 2013, each director of the Corporation was eligible to participate in the Option Plan. Option grants for directors were approved by the Board based on the recommendations of the CGNC Committee. The number of stock options granted was based on competitive and market conditions, including options awarded to directors of other corporations of comparable market capitalization to the Corporation.

Since 1998, there have been a total of six director option grants. If a director had been in place since 1998, as at December 31, 2013, such director would have received a total of 350,000 options being 75,000 in 2000; 100,000 in 2006; 100,000 in 2008; 25,000 in 2011; 20,000 in 2012; and 30,000 in 2013.

The Board, on the recommendation of the CGNC Committee, has traditionally granted options to directors on the foregoing basis, although it is not bound to a specific policy that a particular number of options be granted at particular times. The CGNC Committee and the Board believe that a portion of director compensation should include equity grants for all non-management directors in addition to a director retainer and a stipend for meetings attended.

The grant of stock options, which has consistently been a part of Aecon's director compensation arrangements, has allowed Aecon to provide directors with competitive compensation which includes an equity component in order to align director interests with those of Shareholders.

Director DSU Awards

In May 2014, the Board modified the director compensation program by replacing stock option grants to non-management directors with a director deferred share unit plan (the "Director DSU Plan"). A DSU is a right to receive an amount from the corporation equal to the value of one Common Share. Commencing in 2014, directors will have the option of receiving up to 50% of their annual retainer fee, that is otherwise payable in cash, in the form of DSUs pursuant to the Director DSU Plan. The number of DSUs awarded to a director is equal to the value of the compensation that a director elects to receive in DSUs or the value awarded by the Corporation on an annual basis divided by the volume weighted average trading price of a Common Share on the TSX for the five trading days prior to the date of the award. DSUs shall vest on the first business day following the date the director ceases to serve on the Board, thereby providing an equity stake in the Corporation throughout the director's term as a Board member. DSUs will not entitle the director to any voting or other shareholder rights.

SECTION THREE – ADVISORY VOTE ON EXECUTIVE COMPENSATION (“SAY-ON-PAY VOTE”)

The Corporation’s compensation policies and procedures are based on the principle of pay for performance. The Board believes they align the interests of the Corporation’s executive team with the long-term interests of the Shareholders. The Board also believes that Shareholders should have the opportunity to fully understand the objectives, philosophy and principles used in its approach to executive compensation decisions and to have an advisory vote on the Board’s approach to executive compensation. This non-binding advisory Shareholder vote, commonly known as “Say-on-Pay,” gives each Shareholder an opportunity to either endorse or not endorse the Corporation’s approach to its executive pay program and policies through the following resolution:

“Resolved, on an advisory basis and not to diminish the role and responsibilities of the Board, that the Shareholders accept the approach to executive compensation disclosed in this management information circular delivered in advance of the 2014 annual meeting of Shareholders of the Corporation.”

Approval of the above resolution will require an affirmative vote of a majority of the votes cast at the Meeting.

The purpose of the Say-on-Pay advisory vote is to provide appropriate director accountability to the Shareholders of the Corporation for the Board’s compensation decisions by giving Shareholders a formal opportunity to provide their views on the disclosed objectives of the executive compensation plans, and on the plans themselves, for the past, current and future fiscal years.

While Shareholders will provide their collective advisory vote, the directors of the Corporation remain fully responsible for their compensation decisions and are not relieved of these responsibilities by a positive advisory vote by Shareholders.

As this is an advisory vote, the results will not be binding upon the Board. However, the Board will take the results of the vote into account, as appropriate, when considering future compensation policies, procedures and decisions and in determining whether there is a need to significantly increase their engagement with Shareholders on compensation and related matters. The Corporation will disclose the results of the Say-on-Pay vote as a part of its report on voting results for the Meeting.

In the event that a significant number of Shareholders oppose the resolution, the Chair of the Board will oversee a consultation process with the Shareholders, particularly those who are known to have voted against it, in order to better understand their concerns. The CGNC Committee will review the Corporation’s approach to compensation in the context of those concerns. Shareholders who have voted against the resolution will be encouraged to contact the CGNC Committee to discuss their specific concerns.

Following the review by the CGNC Committee, the Corporation will disclose to Shareholders a summary of the significant comments relating to compensation received from Shareholders in the process, a description of the process undertaken and a description of any resulting changes to executive compensation or why no changes will be made. The Corporation will provide this disclosure within six months of the Say-on-Pay vote, and no later than in the management information circular for its next annual meeting.

The Board recognizes that Say-on-Pay is an evolving area in Canada and globally, and will review this policy annually to ensure that it is effective in achieving its objectives.

The results of the Say-on-Pay advisory vote will be disclosed as part of the report on voting results for the Meeting. The Board is pleased that the Corporation’s Shareholders supported its executive compensation approach in 2012 by using their Say-on-Pay to vote 95.65% “FOR” and 4.35% “AGAINST” at the 2013 annual meeting of Shareholders.

THE BOARD RECOMMENDS A VOTE FOR THE CORPORATION'S APPROACH TO EXECUTIVE COMPENSATION, AS DESCRIBED IN THE "STATEMENT OF EXECUTIVE COMPENSATION" IN THIS CIRCULAR.

SECTION FOUR – RATIFICATION AND CONFIRMATION OF NEW BY-LAW NO. 1

PURPOSE OF BY-LAW NO. 1

Shareholders will be asked to consider and, if thought advisable, pass a resolution confirming the repeal and replacement of By-law No. 1 of the Corporation relating generally to the affairs of the Corporation (the "**Old By-law No. 1**"). The Old By-law No. 1 was originally passed by the Board and confirmed by Shareholders on June 20, 2002. The Corporation has recently undertaken a review of Old By-law No. 1, particularly in light of evolving corporate governance best practices, and determined that it would be in the best interests of the Corporation to implement a new by-law (the "**New By-law No. 1**") in order to incorporate such best practices and implement certain other desirable changes to update Old By-law No. 1.

TERMS OF BY-LAW NO. 1

Selected changes to Old By-law No. 1 as contained in New By-law No. 1 are summarized below:

- New By-law No. 1 amends the quorum for any meeting of the Board to at least 50% of the number of directors on the Board or such greater number of directors as the Board may determine;
- New By-law No. 1 amends the quorum for any meeting of Shareholders to two persons present in person, who together hold or represent by proxy shares of the Corporation having not less than 25% of the total number of the outstanding votes entitled to be cast at the meeting of Shareholders; and
- New By-law No. 1 clarifies that the Chair of the Corporation is not entitled to cast a second or tie-breaking vote when the votes are tied at a meeting of the Board.

The full text of New By-law No. 1 is set out as Appendix 4 to this Circular.

RATIFICATION AND CONFIRMATION OF BY-LAW NO. 1 BY SHAREHOLDERS

Appendix 3 sets forth resolutions repealing old By-law No. 1 and approving and adopting New By-law No. 1 (the "**By-law Resolutions**").

Approval of the By-law Resolutions will require an affirmative vote of a majority of the votes cast at the annual meeting of shareholders of the Corporation.

THE BOARD RECOMMENDS A VOTE FOR THE APPROVAL OF THE BY-LAW RESOLUTIONS.

SECTION FIVE – APPOINTMENT AND REMUNERATION OF AUDITORS

The Shareholders will be asked at the Meeting to pass a resolution confirming the re-appointment of PricewaterhouseCoopers LLP, Chartered Accountants, of 18 York Street, Suite 2600, Toronto, Ontario, Canada M5J 0B2 as auditors of the Corporation. PricewaterhouseCoopers LLP were the Corporation's auditors for the financial year ended December 31, 2013.

More detailed information respecting the Corporation's Audit Committee and audit-related fees paid to the external auditors for the financial year ended December 31, 2013 can be found on pages 35-36 and in Appendix A of the Corporation's Annual Information Form dated March 27, 2014 which is available for review under the Corporation's SEDAR profile at www.sedar.com.

THE BOARD RECOMMENDS A VOTE FOR THE RE-APPOINTMENT OF PRICEWATERHOUSECOOPERS LLP AS AUDITORS OF THE CORPORATION FOR THE FINANCIAL YEAR ENDING DECEMBER 31, 2014 AND AUTHORIZING THE BOARD TO FIX THE AUDITORS' REMUNERATION.

SECTION SIX – STATEMENT OF EXECUTIVE COMPENSATION

For the financial year ended December 31, 2013, the Corporation had five named executive officers (“NEOs”), namely: (i) John M. Beck, Chairman and Chief Executive Officer; (ii) David Smales, Executive Vice President and Chief Financial Officer; (iii) Terrance L. McKibbon, President and Chief Operating Officer; (iv) L. Brian Swartz, Executive Vice President, Legal and Commercial Services; and (v) Paul P. Koenderman, Executive Advisor.

On March 11, 2014, the Board announced that it will appoint Terrance L. McKibbon, President and Chief Operating Officer as the Corporation’s President and Chief Executive Officer, effective on June 11, 2014 at its Meeting. John M. Beck, currently Chairman and Chief Executive Officer will become Executive Chairman and will continue to serve the Corporation on a full-time basis.

The objective of the below disclosure is to communicate to Shareholders the compensation the Corporation paid to its NEOs for the financial year ended December 31, 2013, to provide insight into executive compensation as a key aspect of the overall stewardship and governance of the Corporation, and to inform Shareholders as to how decisions about executive compensation matters relating to the Corporation are made.

COMPENSATION COMMITTEE REPORT

The CGNC Committee has reviewed and discussed with management the following Compensation Discussion and Analysis. Based on that review and discussion, the CGNC Committee has recommended to the Board that the following Compensation Discussion and Analysis be included in this Circular.

COMPENSATION DISCUSSION AND ANALYSIS

Corporate Governance, Nominating and Compensation Committee Composition

As of the date of this Circular, the CGNC Committee is comprised of four members of the Board, namely: (i) Michael A. Butt (Chair); (ii) Joseph A. Carrabba; (iii) Monica Sloan; and (iv) The Hon. Brian V. Tobin, P.C., O.C., none of whom is eligible to participate in the Corporation’s executive compensation programs. Mr. Tobin is also the Vice Chairman and Lead Director of the Corporation. No member of the CGNC Committee is an officer, employee or former officer or employee of the Corporation or any of its affiliates and each is considered “independent” of the Corporation within the meaning of the CSA Guidelines.

The CGNC Committee is responsible for oversight of the Corporation’s compensation plans, including conducting regular reviews of the Corporation’s compensation philosophy and developing and fostering a compensation policy that rewards the creation of shareholder value and reflects an appropriate balance between short and long-term performance. With respect to compensation matters, the CGNC Committee makes recommendations to the Board on all aspects of executive compensation relating to the Corporation, particularly those regarding executive officers, including salary and salary structure for executives and employees, bonus awards, stock option grants, and incentive plans and policies. In late 2012 and early 2013, Meridian, the independent consultant to the CGNC Committee, conducted an assessment of competitive positioning of Aecon’s executive compensation relative to the comparator group (see section “Benchmarking”, below, for a detailed discussion of the selection process and criteria used to establish the comparator group). As part of this review, Meridian considered the levels and mix of NEO compensation. In late 2013, Meridian updated the comparator group and reviewed the Corporation’s short and long-term incentive plans and provided recommendations to enhance pay for performance.

Executive Compensation Experience and Expertise of the CGNC Committee

Michael A. Butt is the Chairman and Chief Executive Officer of Buttcon Limited. Mr. Butt has held executive positions in the construction industry over the last 40 years, has been a member of the Board since 1994, has been a member of the CGNC Committee since its formation and was a member of the predecessor

Human Resources and Compensation Committee (“**HRC Committee**”). Joseph A. Carrabba is the former Chairman, President and Chief Executive Officer of Cliffs Natural Resources Inc. He has served in various leadership and executive positions in the mining industry for over 20 years. Monica Sloan is the former Chief Executive Officer and Managing Director of Intervera Ltd., a data quality product and solutions firm servicing the energy and utilities industry and has broad leadership experience. She also serves as a director at Methanex Corporation, the world’s largest supplier of methanol and is ICD.D certified. The Honourable Brian V. Tobin has been a member of the CGNC Committee since its formation in 2011 and was a member of the predecessor HRC Committee commencing in June 2005. Mr. Tobin has held a number of senior executive and chair roles with other companies, is currently the Vice-Chairman of BMO Capital Markets, the Chair of New Flyer Industries Inc. and is ICD.D certified. As such, each member of the CGNC Committee has significant experience and expertise in executive compensation.

Objectives of Executive Compensation Program and Strategy

The nature of the industry in which Aecon participates is based on delivering successful projects to clients with positive financial results to the Corporation. The importance placed on performance and delivering positive financial results is woven through Aecon’s executive compensation philosophy, which ensures that total compensation for its NEOs is competitive and directly linked to the actual performance results of both the individual officer and the Corporation. The objective of the Corporation’s compensation policy is to attract, retain and motivate highly-competent individuals who can ensure the current and long-term success of the Corporation. The Corporation’s NEO compensation program is designed to reward NEOs for delivering positive financial results which has the consequential effect of increasing shareholder value, achieving superior corporate performance, improving operations and executing on corporate strategy. The same performance-driven results approach is taken by the Corporation with respect to the compensation of management personnel other than the NEOs.

The CGNC Committee and the Board as a whole, working with management, have been successful in assembling an executive team that has driven the growth of the Corporation over the past several years. The CGNC Committee plays a key role in supporting the Board in its oversight of succession planning (see “Succession Planning” in Section Ten of this Circular). At the corporate level, the CGNC Committee believes that John M. Beck, current Chief Executive Officer and Terrance L. McKibbin, President and Chief Executive Officer effective June 11, 2014, are ably backed by a strong team of executives.

The Corporation has four operating segments, each of which is directed by a senior executive officer who reports directly to the President. The objective of the Corporation’s operating structure is to implement and maintain strong executive teams at the operating segment level while realizing synergies from the Corporation’s “One Aecon” approach under the direction of the President. Furthermore, the Corporation has established an executive committee (the “**Executive Committee**”) comprised of key corporate executives and headed by the Chief Executive Officer. The Executive Committee is charged with developing, implementing and coordinating the goals and strategy of the Corporation.

Benchmarking

The CGNC Committee benchmarks compensation against a comparator group (the “**Comparator Group**”), which is comprised of publicly traded construction and engineering, metals and mining, machinery, energy equipment, road and rail transportation, professional services and metal fabricating companies that are of comparable size, scope, market presence and/or complexity to the Corporation and that comprise the Corporation’s primary competition for talent and for customers. The Corporation is positioned approximately at the median of the Comparator Group, which is comprised of companies ranging from approximately one third to three times the size of the Corporation, on the basis of revenue and assets. The Comparator Group was recommended by the CGNC Committee’s independent compensation advisor, Meridian, and approved by the CGNC Committee, taking into account the Corporation’s direct competitors for executive talent. The Comparator Group includes high-performance companies, market share leaders, innovators, and businesses with desirable cultures and recognized management talent. Some international competitors are included in the Comparator Group because of the limited number of comparable publicly traded construction and infrastructure companies in

Canada. The Corporation does not target compensation to a particular level, but uses benchmarking as a reference in setting compensation.

The following table sets out the Corporation's 2013 Comparator Group companies:

Company	2013 Revenue (\$M)	Company	2013 Revenue (\$M)

Independent Advice

In 2013, the CGNC Committee retained independent compensation consultants Meridian to provide independent advice to the CGNC Committee in connection with matters pertaining to executive compensation. Meridian updated the benchmarking analysis that Meridian performed for the Corporation in 2012 and provided advice respecting the Comparator Group. Meridian also provided advice to the CGNC Committee about director compensation, the relationship between compensation and enterprise risk, the Corporation's executive compensation programs and governance and compensation best practices as set out by proxy advisory firms. Meridian does not provide any services to management of the Corporation. In 2012, management retained Towers Watson to provide ad hoc independent advice in connection with the Corporation's short-term incentive plan ("STIP"). All services provided by, and fees paid to, the compensation consultants at the request of management not related to executive compensation were pre-approved by the CGNC Committee.

The table below reports the fees paid by the CGNC Committee to independent compensation consultants in the 2013 and 2012 financial years. Other than the services described above with respect to compensation matters, no additional services were provided to the Corporation by independent compensation consultants.

MANAGING COMPENSATION RELATED RISK

General Compensation Policies and Practices

In 2013, the CGNC Committee considered the implications of the risks associated with the Corporation's compensation policies and practices and retained Meridian, an independent consulting firm, to provide advice to the CGNC Committee on compensation-related risk. The CGNC Committee is actively involved in the risk oversight of the Corporation's compensation policies and practices. Managing enterprise risk is embedded in all of the Corporation's key decisions and the Board directly approves all significant projects undertaken by the Corporation.

The Corporation uses the following practices to discourage or mitigate excessive risk-taking:

- the Board approves the Corporation's strategic business plan, financial and other targets and budgets, which are considered in the context of assessing performance and awarding incentives, before the start of each year;

- incentive awards for divisional employees are based on division-wide actual financial results, personal performance and safety records and the pools are capped at a fixed percentage of operating profit;
- incentive awards for corporate employees are based on company-wide actual financial results and personal performance and the pools are capped at a fixed percentage of the Corporation's earnings before taxes;
- there is an appropriate mix of pay, including fixed and performance based compensation with short and longer term performance conditions;
- the Corporation has share ownership requirements for NEOs and expressly prohibits hedging of Common Shares and share-based compensation awards;
- the Corporation has a clawback policy which allows it to require repayment of incentive compensation under certain circumstances (see "Clawback Policy" below);
- amounts are not paid under the Corporation's annual incentive plans until achievement of the relevant financial results has been confirmed by the audited financial statements;
- the Corporation's performance-based long-term incentive programs include restricted share units ("RSUs") which vest over three years and DSUs which vest at the end of employment. The RSUs are granted annually with overlapping vesting periods. These programs ensure that executives remain exposed to the risks of their decisions and that vesting periods align with risk realization periods;
- the Board is responsible for assessing and monitoring the Corporation's enterprise risks. As well, Mr. Butt is a member of both the Audit Committee (which has direct responsibility for assessing the Corporation's financial and enterprise risks) and the CGNC Committee. Accordingly, the CGNC Committee has direct information respecting the Corporation's enterprise risk when making compensation decisions;
- the Audit Committee and the CGNC Committee meet annually to confirm that the Corporation's compensation plans align with the identified risks; and
- the CGNC Committee maintains overall discretion to adjust annual incentive payments to take into account both unexpected and extraordinary events.

As a result of the CGNC Committee's review of its compensation plans, it has concluded that there are no identified risks arising from its compensation programs which are reasonably likely to have a material adverse effect on the Corporation.

Board Oversight of Risk

As part of its oversight duties, the Board examines current conditions such as the macroeconomic environment, size, nature and unique characteristics of the construction and infrastructure development industry, geographic markets and the basis, size and strength of the Corporation's competition on an ongoing basis.

The Board also identifies, categorizes, analyzes and prioritizes risks. To assist the Board, management has compiled a list of over 100 risks that the Corporation faces across ten categories, including: financial, hazard, strategic, operational, human resources, third party liability, environmental health and safety, governance, information technology and policy and reputational risks. Additionally, management has developed a detailed colour-coded heat map used to pictorially prioritize risks along the lines of severity, likelihood and ability to mitigate. The heat map ranks uncontrolled and residual risks according to severity.

The Board also plays an active role in determining risk capacity, risk tolerance and risk appetite by (i) assessing the Corporation's balance sheet and quantifying the Corporation's debt capacity; (ii) assessing the Corporation's strength and position within its industry; and (iii) considering the desired rate of return on a particular project or transaction.

The Corporation, with the assistance of the Board, has implemented a number of proactive response strategies to mitigate risk, including developing a sound succession plan, carrying appropriate levels of insurance, vetting all major projects, subcontractors and foreign agents, limiting major capital expenditures and limiting major contracts to highly credit-worthy parties. The Corporation's Bidding Requirements Policy establishes the framework for the review and approval of projects and strategic partners to ensure that proposal teams carry out an appropriate level of commercial, legal and risk review. The Corporation's Project Review Committee meets weekly to identify risks and vet major projects prior to bid pre-qualifications and bid submissions. Because a significant proportion of the Corporation's revenue is derived from major projects which must be approved by the Board, the Board is responsible for approving projects which comprise the Corporation's main revenue source. The Board also receives regular reports from the Executive Committee, the Executive Operations Team and the Business Services Team, which meet monthly or quarterly to discuss key strategic and business issues and opportunities, financial performance and results, operational issues, key business services and safety matters.

Clawback Policy

As part of Aecon's compensation framework for employees, which is intended to align compensation with the creation of long-term Shareholder value without encouraging excessive risk-taking, Aecon implemented and maintains a clawback policy ("**Clawback Policy**"). Under the current terms of the Clawback Policy, all executive compensation awards are subject to clawback when (i) there is an error in reporting financial results (whether that error is deliberate or not) which leads to the correction or restatement of financial results, (ii) a senior executive receives an award calculated on the achievement of those financial results, and (iii) the award received would have been lower had the financial results been properly reported. The Clawback Policy further provides that a clawback may be triggered if an executive officer has committed a material breach of the Corporation's Code of Conduct. The Corporation is committed to the highest ethical standards and consequently all breaches of the Corporation's anti-corruption and anti-bribery policies will be considered to be material breaches of the Corporation's Code of Conduct for the purposes of the Clawback Policy.

The Clawback Policy requires that when the clawback is triggered, all incentive payments received by the senior executive over the 24 months preceding the triggering event are subject to clawback as determined by the CGNC Committee. The CGNC Committee will take into consideration which senior executives, on an individual or group basis, will be impacted and to what extent based on specific circumstances.

Hedging Prohibition

The Corporation maintains a policy prohibiting executives and directors from, among other things, entering into speculative transactions and transactions designed to hedge or offset a decrease in market value of Common Shares or share-based incentive awards. Accordingly, senior executives and directors may not sell short, buy put options or sell call options on the Common Shares or purchase financial instruments (including prepaid variable contracts, equity swaps, collars or units of exchange funds) which hedge or offset a decrease in market value of the Common Shares.

Senior Executive Share Ownership Policy

The Corporation has a Senior Executive Share Ownership Policy pursuant to which the Corporation's senior executives are required to hold Shares, RSUs and DSUs with an aggregate value as follows:

Chief Executive Officer	3 times annual base salary
Executive Operations Team (" EOT ") members who report directly to the CEO (including all other NEOs)	2 times annual base salary
All other EOT members	2 times annual base salary

This requirement must be met by the later of 2017 (2015 for the CEO) and within five years of appointment. As of the date of this Circular, the value of Common Shares, RSUs and DSUs held by John M. Beck, the Chief Executive Officer was \$10,453,665 or 14.6 times his base salary for the year ending December 31, 2013 and the value of Common Shares, RSUs and DSUs held by Terrance L. McKibbon, the President and Chief Operating Officer, who will be appointed to the office of President and Chief Executive Officer on June 11, 2014, was \$4,648,162 or 8.1 times his base salary for the year ending December 31, 2013. Messrs. Beck and McKibbon, as well as all other NEOs, currently satisfy the Senior Executive Share Ownership Policy.

Equity Participation Programs

A critical element of executive compensation is equity participation by senior executives of the Corporation. The CGNC Committee believes that executives must be motivated not only to improve financial results, but also the Corporation's share price over the long-term for the benefit of Shareholders. Senior executives are required to own a significant number of Common Shares pursuant to the Senior Executive Share Ownership Policy.

Long-term incentive compensation for senior executives (including the NEOs) is provided through the Corporation's long-term incentive plan ("LTIP"). Awards granted pursuant to the LTIP are primarily made in the form of (i) performance-based DSUs or RSUs; and (ii) occasionally through stock option grants under the Corporation's stock option plan (the "Option Plan").

ELEMENTS OF COMPENSATION

Total compensation for NEOs consists of four principal components: (i) base salary; (ii) incentive bonus awards linked directly to the individual's performance and the Corporation's performance and financial results; (iii) equity participation programs; and (iv) pension benefits. Each component has a different function, as described in greater detail below, but all elements work together to reward the NEOs appropriately for individual and corporate performance. Base salary generally forms a significant portion of an NEO's total compensation. However, bonus awards and equity based compensation have the potential to be significant elements of an NEO's total compensation as the Corporation's performance and financial results improve or as its Common Share price appreciates.

In making compensation recommendations to the Board in respect of the Corporation's 2013 financial year, the CGNC Committee considered the financial results achieved by the Corporation and management's performance in achieving goals and strategic targets set by the Corporation from time to time. The CEO, CFO and COO of the Corporation complete scorecards in respect of their performance objectives, which are set by the CGNC Committee. The scorecards consist of target ratings on a quarterly and annual basis and evaluate the individual's operational, strategic, process and personal objectives. The CGNC Committee uses the scorecards as a factor in evaluating the individual's performance against objectives and in setting compensation. In addition, the CGNC Committee and the Board maintain overall discretion to reduce or increase the size of the variable portion of the total compensation in extraordinary circumstances, such as material changes in business performance, major regulatory changes or risk failures, exceptional achievements by a particular NEO or to address unique or unexpected market events.

In the 2013 financial year, the total compensation of the NEOs as a group was comprised, on average, of base salary as to 24.8%, performance-based cash incentive bonus awards as to 27.3%, equity participation programs as to 41.7% (comprised of long-term incentive plan awards), other compensation and taxable benefits as to 5.3% and pension benefits as to 0.9%.

Base Salary

Base salaries are considered an essential element in attracting and retaining the Corporation's senior executives, including the NEOs, and rewarding them for individual and corporate performance. Base salaries for 2013 were consistent with determinations made in previous years and were determined based on the skill, ability, experience and contributions of the individual executive, the need to attract and retain executives and recommended base salary ranges applicable to executive positions (from time to time, as appropriate, the CGNC

Committee has engaged independent compensation consultants as an additional source of information in making its compensation recommendations). As most construction companies comparable to the Corporation are privately owned or are divisions of large public companies, there is limited comparative compensation information available to the CGNC Committee and the Board in order to assist them in determining levels of compensation for the NEOs. Notwithstanding the foregoing, the CGNC Committee believes that the base salaries of the NEOs are competitive with industry norms and consistent with public companies having comparable revenues to that of the Corporation. The CGNC Committee's executive compensation philosophy has generally been to set base salaries slightly below the average for comparable positions in comparable companies and to structure performance and financial results related compensation in a manner that allows executives to increase their compensation, through delivery of superior financial results, to a level above the average paid at comparable companies.

Bonus Awards

The Corporation's performance-linked STIP provides NEOs with the opportunity to receive annual cash bonuses based on individual and corporate performance results for the previous financial year. If individual performance goals are met and if the Corporation achieves positive financial results, NEOs will be eligible to earn a bonus award linked directly to such performance. Under the terms of the plan, the CGNC Committee establishes a performance-linked profit-sharing pool for employees, which is a fixed percentage of Acon's actual earnings before tax in the most recently completed financial year. For 2013, the performance-linked profit-sharing pool was 5% of the Corporation's earnings before taxes and is a set percentage of the Corporation's operating profit. Within this performance-linked profit sharing pool, each NEO is eligible to receive a number of profit sharing points at the start of the year based on his or her role and level within Acon. At the end of the year, each NEO's profit-sharing points are adjusted up or down to reflect individual achievement of performance objectives (including safety) and/or the Corporation's performance and financial results. If the NEO fails to achieve his or her individual performance objectives or the Corporation does not meet its performance or financial targets, the NEO's profit-sharing points are reduced. Likewise, if the NEO exceeds his or her individual performance objectives and/or the Corporation exceeds its performance and financial results, the NEO's profit-sharing points are increased. The amount of profit sharing points awarded to the CEO is 80% based on the Corporation's performance and financial results and 20% on achievement of individual performance objectives. For the other NEOs, the amount of profit sharing points awarded is 70% based on the Corporation's performance and financial results and 30% based on the achievement of individual performance objectives.

At the end of the fiscal year, each NEO's bonus is based on the funding level of the performance-linked profit-sharing pool divided by the total number of profit sharing points of all employees, multiplied by the NEO's adjusted profit sharing points. If corporate performance and financial results are disappointing, the profit-sharing pool used for NEO bonuses will decrease and if corporate performance and financial results are exceptional, the profit-sharing pool, and correspondingly, each NEO's potential bonus award, will increase. This methodology specifically links the value of each NEO's annual bonus award directly to the achievement of individual objectives and the performance and financial results of the Corporation through the amount of earnings before taxes generated for the Corporation. The CGNC Committee believes this performance-linked approach is an effective method to create value for Shareholders over both the short and long-term.

Acon's STIP program is designed to be performance-linked and results driven in order to reward individuals for positive corporate performance and financial results. The determination of the amount of a STIP award to any one NEO in a given financial year takes into consideration the Corporation's overall STIP allocation for key senior executives. As illustrated in the Summary Compensation Table below, the STIP awards earned by Acon's NEOs in 2013 were generally lower than those earned in 2012. This trend was true for executives in the corporate office and across all operating segments as the Corporation's financial performance, in particular earnings before taxes, did not exceed the financial results achieved in 2012.

Long-Term Incentive Plan

DSUs and RSUs

Acon grants performance-linked DSU and RSU awards under its LTIP designed to focus senior executives on the long-term financial performance of the Corporation, to serve as a retention tool for select executives by

providing a financial disincentive for LTIP participants to leave the Corporation prematurely, and to better align the interests of senior executives with those of Shareholders. The level of DSU and RSU awards granted each year under the LTIP are based on the corporate performance and financial results over a rolling three-year period and performance of the senior executive and feature vesting periods that extend well into the future.

The LTIP, which is open to a limited number of senior executives of the Corporation, is funded based on 10% of Aecon's earnings before interest and tax over a rolling three-year period. A significant portion of the performance-linked awards are DSUs which do not vest until retirement (or other cessation of employment) with the balance of any such awards comprised of RSUs which vest over a three-year period. DSU and RSU awards are forfeited if the executive resigns his or her employment with Aecon. The Board believes that the DSUs and RSUs align the interests of key executives to the long-term interests of Shareholders.

Due to the phantom share nature of the DSU and RSU awards, Aecon funds a trust account (the "Trust") designed to reduce the financial risk to Aecon associated with share price appreciation between the time of grant of the award and the time of vesting. At the end of fiscal 2013, the Trust held 3,312,476 Common Shares. All Common Shares held by the Trust were purchased in the market by an independent trustee.

Stock Option Plan

The CGNC Committee believes that incentive compensation in the form of stock option grants aligns compensation with Shareholder interests and is necessary to attract and retain both senior executives and managerial talent at other levels in a highly competitive industry. In 2013, no stock options to acquire Common Shares were granted to executives and employees. No options previously granted were otherwise amended, replaced or modified in 2013.

Option awards are discretionary, as recommended by the CGNC Committee to the Board. The Chief Executive Officer has requested in the past, and may request in the future, that options be granted to senior executives, other executives, non-executives or new hires. The CGNC Committee considers a variety of factors in exercising its discretion, including, without limitation, the compensation philosophy and practices of the Corporation as described herein, individual or collective management performance, level of responsibility of the individual, industry compensation practices, previous grants of options and general compensation trends.

The CGNC Committee believes that the compensation of the Corporation's senior executives should be significantly linked to the Corporation's business performance in order to enhance the Corporation's long-term success and value. Pursuant to the Option Plan, the Corporation may not repurchase underwater options for cash and has never done so.

For a summary of the principal terms of the Option Plan, please see the Corporation's management proxy circular in respect of the Corporation's annual and special meeting held on June 15, 2010 filed under the Corporation's SEDAR profile at www.sedar.com.

The total number of Common Shares reserved under the Stock Option Plan is 5,000,000 or 8.9% of the Corporation's issued and outstanding Common Shares. The following table summarizes stock options granted over the last two years:

	2013	2012
Number of Stock Options Granted	210,000	210,000
Number of Employees and Directors who were Granted Stock Options	9 ⁽¹⁾	9 ⁽²⁾
Number of Stock Options Outstanding as at Year End	768,332	1,910,000
Number of Stock Options Granted in the Year as a Percentage of Outstanding Common Shares as at Year End	0.4%	0.4%
Number of Stock Options Outstanding as a Percentage of Outstanding Common Shares as at Year End	1.4%	3.5%
Average Weighted Exercise Price of Stock Options Outstanding	\$11.27	\$12.90
Number of Stock Options Exercised	368,335	0

Notes:

- (1) Directors of the Corporation, with the exception of John M. Beck, were granted an aggregate of 210,000 options in 2013.
- (2) The directors were granted an aggregate of 160,000 options and the newly appointed Senior Vice President, Corporate Affairs was granted 50,000 options in 2012.

Pension Plan Benefits

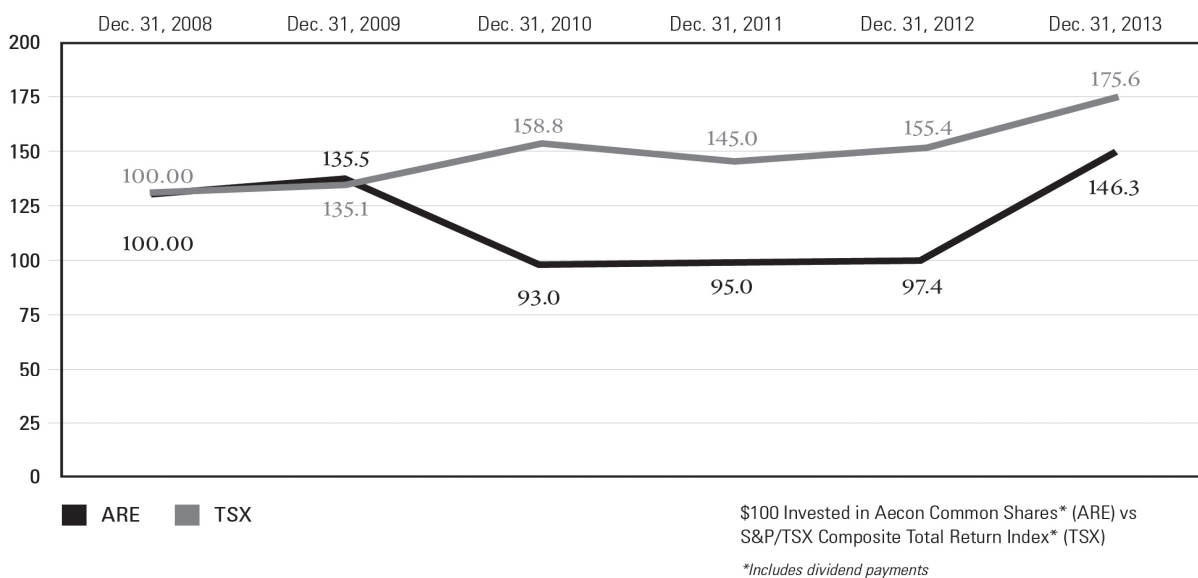

The Corporation established a pension plan in 2001 for John M. Beck, Chief Executive Officer, to reflect then current executive compensation trends, as a reward for (at the time) over 40 years of service with the Corporation and its predecessors, and as an incentive for future long-term involvement with the Corporation. Entitlements under the plan are based on length of service from the date the plan was established and Mr. Beck's final average salary at the time he retires. Based on the foregoing, Mr. Beck's maximum pension entitlement at time of retirement, assuming a retirement age of 72, would be an amount equal to approximately 52% of his final average salary (excluding bonus). See "Pension Plan Benefits – Defined Benefit Pension Plan" in this Section Six.

COMPENSATION REVIEW

Performance Graph

The following graph compares the cumulative shareholder return for \$100.00 invested in Common Shares against the cumulative return for \$100.00 on the S&P/TSX Composite Total Return Index for the same five-year period, on the first day of the five-year period beginning on December 31, 2008 and ending December 31, 2013.

FIVE-YEAR CUMULATIVE RETURN

	Dec. 31, 2008	Dec. 31, 2009	Dec. 31, 2010	Dec. 31, 2011	Dec. 31, 2012	Dec. 31, 2013
Aecon ⁽¹⁾	\$100.00	\$135.47	\$92.96	\$95.01	\$97.42	\$146.26
S&P/TSX Composite Total Return Index ⁽¹⁾	\$100.00	\$135.05	\$158.83	\$145.00	\$155.42	\$175.61

Note:

(1) Includes share price plus dividends, if any. The closing price of the Common Shares on the TSX on December 31, 2013 was \$16.09. All share prices for the above table were obtained from the records of the TSX.

As noted in the graph above, in the period December 31, 2008 to December 31, 2013 the Corporation's total shareholder return ("TSR") increased by approximately 46.3% while the S&P/TSX composite index increased by approximately 75.6% during the same period. It should be noted that since December 31, 2008, in the midst of the 2008 global financial crisis, which had a significant negative impact on the construction industry, the share price of the Corporation has risen from \$11.00 to \$16.09 on December 31, 2013.

As noted in "Compensation Discussion and Analysis" in this Section Six, Aecon's executive compensation is linked to the performance and financial results of both individual officers and the Corporation. Compensation for NEOs is not directly linked to changes in the Corporation's TSR or share price. Nevertheless, several general observations can be made. Between December 31, 2008 and December 31, 2013, the base salaries of NEOs have increased, on average, approximately 30.3% and LTIP awards granted to NEOs have increased, on average, approximately 64.3% while the Corporation's TSR increased 46.3%, reflecting the Corporation's careful and prudent approach to executive compensation and encouragement of decision-making that is in the best long-term interest of the Corporation. The awards under Aecon's STIP, which, as described above, are based on individual and corporate performance and financial results, have both increased and decreased during this period. Individual awards under the LTIP are awarded on the basis described in this Section Six under "Long-Term Incentive Plan" and detailed herein. The value of an LTIP award after grant will fluctuate based on the Corporation's share price, thereby aligning the interests of NEOs with those of Shareholders.

Both the grant date fair value and accounting fair value for option-based awards are calculated using the Black-Scholes model using the assumptions described in the table under "Share Option Values and Assumptions", below. The grant date fair value of option-based awards as presented will differ from the compensation expense included for these grants in the Corporation's financial statements. In accordance with International Financial Reporting Standards, the fair value of each award at the grant date is amortized over the relevant vesting period to arrive at compensation expense in the financial statements.

SECTION TEN – CORPORATE GOVERNANCE MATTERS

Aecon embraces high standards of corporate governance which reflect its commitment to understanding legal and regulatory requirements and current best practices. Key accomplishments in the area of corporate governance achieved by Aecon over the last year include:

- approving a Director DSU Plan to replace the practice of granting stock options to directors;
- approving a new general by-law (New By-Law No. 1) to reflect current best practices in corporate governance and implement other desirable changes;
- amending the Corporation's annual Say-on-Pay advisory vote by adopting the Canadian Coalition for Good Governance model Say-on-Pay policy to promote more meaningful dialogue with the Corporation's Shareholders;
- approving revisions to the Corporation's Code of Conduct (as defined below) to emphasize the Corporation's stringent anti-corruption and anti-bribery policies and procedures;
- approving a revised, broader Clawback Policy which is not tied to just financial restatement but also introduces industry-specific parameters;
- overseeing a Board renewal process that resulted in the additions of Ms. Sloan and Mr. Carrabba to the Board;
- overseeing the implementation of the CEO succession plan;
- implementing a formal annual feedback meeting between each director and the Chair of the Board;
- improving executive compensation disclosure in this Circular, specifically as it relates to the Corporation's STIP pool and LTIP practices; and
- amending the Director Share Ownership Policy to increase the minimum share ownership requirement from 3X to 5X a director's annual retainer.

The Board is committed to fostering a healthy governance culture at the Corporation. The Corporation believes that such culture requires that directors be aware of both internal corporate and external developments that may affect the business and affairs of the Corporation and that an atmosphere of open communication, trust, candour, healthy debate and constructive dissent be part of the corporate decision making and directorial oversight process. Although mindful of evolving views with respect to governance issues, the Board believes that formulaic or structural approaches to corporate governance issues may not in and of themselves be adequate or ensure best in class governance standards. The Board examines each issue on a case-by-case basis and, in consultation with senior management and the Corporation's advisors, adopts the standard or approach it believes best protects and promotes the interests of all Aecon stakeholders. As members of an experienced Board, the directors are cognizant that they have statutory and fiduciary obligations to act honestly and in good faith with a view to the best interests of the Corporation. They also have a duty of care in making decisions, including a duty to be properly informed so they can perform the tasks their positions entail. The Board demands that these standards be met by its members at all times. The Board believes that its principled approach to corporate governance meets these standards.

The Corporation's corporate governance practices are designed to ensure that the business and affairs of the Corporation are effectively managed so as to promote and enhance Shareholder value. The Board has historically been actively involved in many aspects of the Corporation's business, a trend that continued throughout 2013. Management has been able to draw assistance from individual Board members, as well as seek advice from the Board as a whole or from the independent directors collectively or individually, when appropriate.

Over the past several years, both management and the Board have closely monitored and, where appropriate, responded to Canadian regulatory developments aimed at improving corporate governance, increasing corporate and individual accountability as well as maximizing the transparency of public company disclosure.

Under the CSA Guidelines, the Corporation must disclose on an annual basis and in prescribed form, the corporate governance practices that it has adopted. The Corporation's annual disclosure of its corporate governance practices in accordance with Form 58-101F1 – *Corporate Governance Disclosure* under NI 58-101 is attached to this Circular as Appendix 1.

The Corporation is also subject to the requirements of Canadian provincial securities legislation, including those relating to the certification of financial and other information by the Corporation's chief executive officer and chief financial officer; oversight of the Corporation's external independent auditors; enhanced independence criteria for Audit Committee members; the pre-approval of permissible non-audit services to be performed by the Corporation's external independent auditors; and the establishment of procedures for the anonymous submission of employee complaints regarding the Corporation's accounting practices (the "**Whistle-Blower Policy**"). In its consideration of evolving best practices in corporate governance matters, over the past several years, among other matters discussed below and in Appendix 1, the Corporation has: (i) adopted, reviewed and/or updated a broad range of corporate policies including a code of conduct regarding specified employee behaviour (the "**Code of Conduct**"); (ii) placed a significant emphasis on training employees (both new and existing) about their obligations under key corporate policies and safety related issues; (iii) adopted a complaint and submission procedure to the Audit Committee for employee complaints regarding the Corporation's accounting practices; (iv) established policies and procedures for Audit Committee pre-approval of services provided by the Corporation's external independent auditor; (v) established a formal disclosure committee (the "**Disclosure Committee**") that meets at least quarterly (see "Shareholder Feedback and Communication" below for additional information); (vi) created an internal audit department (see "Shareholder Feedback and Communication" below for additional information); (vii) adopted a mandate for the Board; (viii) expanded the mandate of the former HRC Committee and reconstituted such committee as the CGNC Committee with the adoption of a Corporate Governance, Nominating and Compensation Committee Charter; (ix) adopted formal mandates for the Chair of each Board committee; (x) commencing with the Corporation's annual shareholder meeting held in 2009, elected new directors on an individual basis rather than pursuant to "slate" voting as was done in prior years; (xi) created the position of Lead Director; (xii) consulted outside counsel on best practices with respect to corporate governance standards; (xiii) adopted a Majority Voting Policy and (xiv) engaged Meridian to provide independent advice to the CGNC Committee in connection with matters pertaining to executive and director compensation.

ENTERPRISE RISK MANAGEMENT

Management has developed a disciplined and integrated enterprise risk management ("**ERM**") process which identifies potential events that may affect the Corporation, manages risk to be within the Corporation's risk appetite and provides reasonable assurance regarding the achievement of the Corporation's objectives.

In support of ERM, the Corporation has put in place formal policies which address project selection, contract terms, cost controls, project controls, selection of joint venture partners and negotiation of joint venture agreements, impact and delay claims, third party liability and regulatory matters.

Management believes that everyone in the Corporation has a degree of responsibility for enterprise risk management. The Project Risk Committee, chaired by the Executive Vice President, Legal and Commercial Services, meets weekly to vet significant projects prior to bid pre-qualifications and bid submissions. The Executive

Committee meets monthly to discuss key strategic issues, financial performance, operation issues and safety matters and to review the progress of major projects. The Executive Committee also conducts quarterly financial review meetings with operating leaders to monitor the financial results and leading indicators across the Corporation. The EOT meets quarterly to review financial performance and major projects and key opportunities. The Disclosure Committee meets at a minimum quarterly to review continuous disclosure obligations and documents. In addition to the formal processes described above, divisional and risk teams provide ongoing support for major projects and all personnel are expected to execute enterprise risk management in accordance with established directives and protocols.

CODE OF CONDUCT AND WHISTLE BLOWER POLICY

The Corporation first adopted a Code of Conduct in 2002 to guide behaviour related to company business and to ensure that Aecon maintains the standard of a highly ethical and professional public corporation. The Code of Conduct supports Aecon's corporate values, specifically to "preserve the highest standards of honesty, integrity and business ethics; promote equality of opportunity and cultural diversity within the Corporation; ensure safety in all our activities; foster protection of the environment; and maintain an open, empowering and rewarding workplace" and set out fundamental principles that guide the Board in its deliberations and shape the Corporation's business activities. The Code of Conduct was most recently updated in May 2013 and employee training sessions are regularly held to remind employees of their key obligations. Starting in spring 2014, each director, officer and employee of the Corporation will be required to complete, on an annual basis, a Code of Conduct online training module within the sphere of Aecon University, the Corporation's learning vehicle for delivering professional development and training opportunities. Moreover, employees must review the Code of Conduct and acknowledge adherence to it when they join the Corporation and at least twice per year thereafter. The Code of Conduct is available for review under the Corporation's SEDAR profile at www.sedar.com.

In May 2005, the Corporation approved a Whistle Blower Policy to support the Corporation's continued commitment to honesty and integrity in the conduct of its business. The Whistle Blower Policy has been updated several times since its initial adoption with a view to continuing to meet best practices. The Whistle Blower Policy was most recently updated in the second quarter of 2011 with the assistance of external counsel and is available for review under the Corporation's SEDAR profile at www.sedar.com. Among other features, the Whistle Blower Policy provides a mechanism for anonymous complaints to be made to the Chair of the Audit Committee or the Senior Vice President, Legal and Commercial Affairs. For additional information, see "Culture of Integrity" set out in the Board Mandate attached to the Corporation's management information circular dated May 19, 2011 prepared in respect of Aecon's annual meeting of Shareholders held on June 14, 2011 (the "**2011 Circular**"), which is incorporated by reference herein and available under the Corporation's SEDAR profile at www.sedar.com. To reinforce the importance of ethical behaviour and enhance internal controls, in April 2009 the Corporation introduced a "Reporting Internal Suspicions of Fraud Policy".

Management, under the direction of the Board, has undertaken a number of initiatives to promote ethical behaviour by its employees including email updates regarding key policies, new employee seminars on key corporate policies (including the Code of Conduct and Whistle Blower Policy), anti-corruption and anti-bribery measures, including a quarterly certification requirement for all projects outside of Canada and a certification requirement for all foreign projects at the pursuit and bid stage, and holding an annual company-wide Safety Day. First introduced in October 2005, to reinforce to all employees, clients and stakeholders the importance of safety as a core value of the Corporation, Safety Day is a company-wide event in which all employees of the Corporation watch a "tool box" video talk by the Chief Executive Officer on safety issues and are reminded of the importance of safety in their day to day activities.

The Disclosure Committee meets at least quarterly and more often if required to discuss disclosure issues. The quarterly meeting typically involves a page by page review of the applicable management's discussion and analysis and financial statements and is attended by members of both the Disclosure Committee and senior members of the Corporation's finance department who are responsible for the preparation of the documents. The Disclosure Committee also reviews the Corporation's annual information form and management information circular. The Corporation's Assistant Corporate Secretary keeps a written record of all Disclosure Committee

meetings, noting what issues were discussed and decided, and what actions, if any, were recommended. The public disclosure documents filed under the Corporation's SEDAR profile reflect the consensus of such meetings. See "Shareholder Feedback and Communication" below for additional information.

SAY-ON-PAY VOTE

As they did last year, Shareholders will cast an advisory vote on the Corporation's approach to executive compensation. The CGNC Committee and the Board will review the results of this advisory vote and will consider the outcome when considering future executive compensation arrangements. If a significant number of Shareholders vote against the advisory resolution, the CGNC Committee will review the approach to executive compensation in the context of the specific concerns of the shareholders and may make recommendations to the Board. Following the review by the CGNC Committee, the Corporation will disclose a summary of the process undertaken by the CGNC Committee and an explanation of any changes, or why no changes are being implemented in relation to the Corporation's executive compensation. The Corporation will provide this disclosure as soon as is practicable, and in any event no later than in the next management information circular for its next annual meeting.

Management is pleased that in 2013, 95.65% of the votes cast voted in favour of the Corporation's 2012 executive compensation program. The CGNC Committee reviewed the results of the Say-on-Pay vote and concluded that no significant changes to the Corporation's approach on executive compensation are required at this time. The CGNC Committee will continue to review the Corporation's executive compensation program to ensure its effectiveness and further align the interests of the Corporation's executives with its Shareholders.

The CGNC Committee and the Board will also continue to review and consider all Shareholder feedback related to compensation matters and will continue existing practices regarding Shareholder discussion and engagement. Shareholders are invited to contact the Corporation by using the contact information set out in "Shareholder Feedback and Communications" in this Circular. Please refer to page 21 of this Circular for additional information on the Say-on-Pay Vote.

FINANCIAL ASSURANCE AND COMPLIANCE DEPARTMENT

The Corporation's Financial Assurance and Compliance ("**FA&C**") department was established to provide an independent and objective assurance, consulting and advisory function that is designed to add value, improve the Corporation's operations, and assist management in the effective discharge of its responsibilities. Currently, the main focus of the FA&C department is to manage compliance with Bill 198, assist senior management in the testing of internal controls over financial reporting ("**ICFR**") and provide added assurance and comfort to the CEO and CFO of the Corporation as part of their certification on the design and operating effectiveness of ICFR. In addition to this assurance function in support of the regulatory certification process, the FA&C department also assists management of the Corporation in examining, evaluating, reporting and recommending improvements to strengthen the effectiveness of internal controls, risk management and governance processes. Other responsibilities include reviewing the Corporation's compliance with policies, procedures, laws and regulations, and performing advisory services as requested.

BOARD OVERSIGHT OF CORPORATE GOVERNANCE

The Board takes an active role in promoting an ethical culture and monitoring compliance with Aecon policies. The Board and senior management believe that in the construction industry ethical behaviour starts with "safe behaviour" as evidenced by a commitment to high safety standards by every employee on every job site. As such, the Board has provided strong support for initiatives such as Safety Day. To further monitor this key control, the Board created the Environmental, Health and Safety Committee (the "**EHS Committee**") in the fourth quarter of 2010. See "Board Committees" in this Section Ten for additional information.

The Board also monitors compliance with the Corporation's policies through Financial Assurance and Compliance Interim Reports prepared by the internal audit team and provided to the Audit Committee on a

quarterly basis. In addition, as part of compliance with National Instrument 52-109 – *Certification of Disclosure in Issuers' Annual and Interim Filings*, the Corporation has developed a system of sub-certification pursuant to which key financial and business unit leaders are asked to verify compliance with a range of key metrics including compliance with the Code of Conduct. The Chief Financial Officer provides a report to the Board in respect of such matters on a quarterly basis.

MANDATE OF THE BOARD

The mandate of the Board is to supervise the management of the business and affairs of the Corporation by its executive officers and includes, without limitation, the following duties and responsibilities:

- (i) ensuring a culture of integrity at the Corporation;
- (ii) approving and monitoring the Corporation's overall strategy;
- (iii) reviewing and approving strategic investments, acquisition opportunities, divestitures and alliances;
- (iv) assessing and managing the principal risks inherent to the business of the Corporation;
- (v) overseeing and reviewing the Corporation's communication and public disclosure policies and practices;
- (vi) approving the Corporation's internal controls and reviewing and assessing their integrity and effectiveness;
- (vii) overseeing the Corporation's financial reporting policies and procedures;
- (viii) reviewing and monitoring the corporate governance policies and practices of the Corporation;
- (ix) overseeing the performance of the Chief Executive Officer and senior management and establishing their annual performance expectations, corporate goals and objectives (including setting appropriate compensation and benefits) and monitoring progress against expectations; and
- (x) overseeing the creation and implementation of appropriate succession plans for senior management.

A copy of the Board Mandate is attached to the 2011 Circular which is available for review under the Corporation's SEDAR profile at www.sedar.com.

COMPOSITION OF THE BOARD

The Board is currently comprised of nine members. The directors of the Corporation include community and business leaders active at the local, national and international level who provide a depth and range of experience. Please see the biographies of individual directors under "Election of Directors" in Section Two of this Circular. Assuming that each of the Board nominees identified in this Circular is elected at the Meeting, the Board has determined that seven out of nine or 77.8% of the directors will be considered "independent" under the CSA Guidelines and National Instrument 52-110 – *Audit Committees ("NI 52-110")*. To assist the Board with its determination as to independence of its members, all directors complete a detailed annual questionnaire regarding their relationships with the Corporation. The Board believes that a sufficient number of directors are independent of the Corporation, as no material corporate decision requiring director approval can be passed without the approval of the independent directors. Notwithstanding that Mr. Beck and Mr. McKibbin are not "independent" within the meaning of the CSA Guidelines, the Board believes that their status will not preclude

them from exercising independent judgment with a view to the best interests of the Corporation. See “Board Committees” below for additional details.

Position Descriptions

The Board is led by the Chairman and is comprised of experienced directors (see “Election of Directors” in Section Two of this Circular for additional details), whose authority is exercised in accordance with the Corporation’s Articles of Incorporation, By-Laws and Corporate Governance Handbook, the CBCA as well as other applicable laws, regulations and rules, including those adopted by the CSA and those of the TSX. The Board has appointed a Lead Director who is independent within the meaning of the CSA Guidelines.

Chief Executive Officer

The Chief Executive Officer of Aecon has full responsibility for the day-to-day activities of the Corporation’s business in accordance with its strategic plan as approved by the Board. The Chief Executive Officer is accountable to the Board for the overall management of Aecon and for conformity with policies agreed upon by the Board. The approval of the Board (or appropriate committee) is required for all significant decisions outside of the ordinary course of Aecon’s business. The position description for the Chief Executive Officer is attached to the 2011 Circular which is available for review under the Corporation’s SEDAR profile at www.sedar.com.

On an annual basis, the Chief Executive Officer of the Corporation circulates to the Board a proposed strategic plan and budget which are discussed and, if appropriate, adopted by the Board. These form the basis of the corporate objectives which must be met by the Chief Executive Officer. The CGNC Committee reviews the performance of the Corporation and the Chief Executive Officer which review is used by the CGNC Committee in its deliberations concerning the Chief Executive Officer’s annual compensation. See “Statement of Executive Compensation” in Section Six of this circular.

Lead Director

The Board has created the position of Lead Director. The role of Lead Director is to facilitate the functioning of the Board, to help ensure that appropriate processes are followed, to assist in fostering and seeking input of independent directors, and to ensure independent director participation in all Board decisions.

The Lead Director ensures that the Board’s relationship with management functions effectively and furthers the best interests of the Corporation, including working with the committees appointed by the Board to ensure they have the proper structure and appropriate assignments. The Lead Director also regularly communicates with the Chairman and Chief Executive Officer so that he is aware of any concerns of the independent directors and any concerns communicated by Shareholders and other stakeholders. The role and responsibilities of the Lead Director are in addition to and distinct from the role of the chair of each of the committees of the Board. The mandate of the Lead Director is attached to the 2011 Circular which is available for review under the Corporation’s SEDAR profile at www.sedar.com.

Committee Chair

Each of the Audit Committee, the CGNC Committee, and the EHS Committee is chaired by an independent director (each a “**Committee Chair**”). The Committee Chairs are responsible for the management and the effective performance of their respective committees. The mandate of each Committee Chair also includes taking all reasonable measures to ensure that the respective committee fully executes its mandate, including taking all reasonable steps to ensure that such committee works as a cohesive team and arranging for the availability of adequate resources and access to information and management to support the committee’s work.

Board Committees

The Board has established three standing committees of directors: the CGNC Committee, the Audit Committee and the EHS Committee. Each committee regularly meets without management present. All members

of each of the Audit Committee, the CGNC Committee and the EHS Committee, including the respective Chairs, are “independent” within the meaning of the CSA Guidelines and NI 52-110.

In addition, as part of its ongoing efforts to maintain high standards of corporate governance, in 2007 the Board approved and adopted written mandates for the Chairman of the Board and for each Committee Chair, each of which are attached to the 2011 Circular which is available for review under the Corporation’s SEDAR profile at www.sedar.com. From time to time, special committees of the Board may be and have been appointed to consider special issues and in particular, any issues that may involve related party transactions. Individual directors may retain outside advisors at the Corporation’s expense in appropriate circumstances and with the approval of the Audit Committee. No material corporate decision or decision involving a potential conflict of interest can be approved by the Board without the approval of the independent directors.

Corporate Governance, Nominating and Compensation Committee

On May 4, 2010, the Board established the CGNC Committee which replaced the previously constituted HRC Committee. Previously, the Corporation did not have a formal governance or nominating committee, although the HRC Committee routinely performed functions that would be customary for such committees. Given the high level of importance the Board places on the Corporation’s governance and nominating functions, the Board felt it was an appropriate time to formalize these roles within the reconstituted CGNC Committee. In addition to assuming the HRC Committee’s mandate with respect to the Corporation’s overall corporate policy relating to compensation and benefits, the CGNC Committee’s mandate was expanded to include such matters as developing an effective corporate governance system for the Corporation, reviewing and assessing the Corporation’s corporate governance practices and public disclosure on an ongoing basis, reviewing the Corporation’s compensation policies and programs to ensure that they motivate an appropriate level of risk-taking and mitigate excessive risk-taking, identifying and recommending candidates for election to the Board and all committees of the Board, organizing and overseeing the Corporation’s director education program and establishing and reviewing succession planning for the Chief Executive Officer and other senior executives.

As of the date of this Circular, the CGNC Committee is comprised of Michael A. Butt (Chair), Joseph A. Carrabba, Monica Sloan and The Hon. Brian V. Tobin, P.C., O.C., all of whom are considered independent within the meaning of the CSA Guidelines. The Chief Executive Officer of the Corporation does not participate in the selection of members of the CGNC Committee.

Current members of the CGNC Committee are all senior business leaders and executives with several years of compensation and human resources experience. Accordingly, the Board believes that the members of the CGNC Committee, collectively, have the knowledge, experience and background to fulfill its mandate.

The CGNC Committee met 7 times in fiscal 2013. The CGNC Committee meets without the presence of directors who are not independent of the Corporation and without the presence of management.

The CGNC Charter is attached to this Circular as Appendix 2.

Audit Committee

As of the date of this Circular, the Audit Committee is composed of Anthony P. Franceschini (Chair), Michael A. Butt, and Austin C. Beutel, all of whom are considered to be “independent” and “financially literate” within the meaning of NI 52-110. As such, 100% of the Audit Committee members are considered independent. The Corporation believes the oversight function of the Audit Committee provides a key stewardship role in the Corporation’s financial disclosure issues, internal controls, financial and operational risk management, corporate finance and related matters.

In reviewing the audited financial statements of the Corporation, the Audit Committee discusses the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments, and the clarity of disclosure in the financial statements. In addition, the Audit Committee discusses with the Corporation’s independent external auditors the overall scope and plans for their audit. The Audit Committee

meets with the auditors, with and without management present, to discuss the results of their examination and the overall quality of the Corporation's financial reporting. At least once per quarter, the members of the Audit Committee and other independent members of the Board meet with the auditors to discuss relevant issues. Neither the Board members who are part of management nor the Corporate Secretary participate in these meetings. The Audit Committee also carefully reviews evolving audit committee regulations and best practices to ensure corporate alignment with the spirit and intent of such regulations and practices. The Audit Committee also meets annually with the CGNC Committee to consider the Corporation's key business risks and how the Corporation's compensation policies and programs mitigate or promote excessive risk taking. The Audit Committee is responsible for overseeing the administration, financial reporting and investment activities of the Corporation's pension plans and receives and considers an annual, or more frequently as required, Treasury Report on the status of the Corporation's pension plans.

The Audit Committee met 4 times in fiscal 2013. The Audit Committee meets once per quarter before regularly scheduled Board meetings. The Audit Committee sets aside a portion of these meetings to meet without the presence of directors who are not independent of the Corporation and without the presence of management.

Environmental, Health and Safety Committee

As of the date of this Circular, the EHS Committee is comprised of J.D. Hole (Chair), Anthony P. Franceschini and Rolf Kindbom. Mr. Kindbom will be retiring as of the date of the Meeting and the Board will reconsider the EHS Committee membership at that time. The Corporation believes the mandate of the EHS Committee provides an important leadership role in supporting the Corporation's core value of "safety first". The overall purpose of the EHS Committee is to support continuous improvement of healthy and safe workplaces, founded on the principles that the effective management of health, safety, wellness and concern for the environment (collectively "EHS") are essential to the success of the Corporation.

The EHS Committee is responsible for reviewing and approving the Corporation's annual EHS Strategic Plan and on a quarterly basis reviewing and assessing the Corporation's EHS performance. The EHS Committee is also tasked with reviewing corporate governance principles relating to a sound EHS system comprised of strategies, programming and performance of the Corporation from time to time to ensure compliance with changing regulatory requirements and best practices. In addition, the EHS Committee plays a key role in providing continuing education of EHS issues, best practices, legal and regulatory requirements and trends to the Board.

The EHS Committee met 4 times in fiscal 2013. The EHS meets once per quarter before regularly scheduled Board meetings. The EHS Committee Charter is attached to the 2011 Circular which is available for review under the Corporation's SEDAR profile at www.sedar.com.

MEETINGS OF INDEPENDENT DIRECTORS AND IN-CAMERA MEETINGS

The independent directors met on a quarterly basis during the 2013 financial year and an in-camera session was held at every Board meeting. All members of the Audit Committee, CGNC Committee and EHS Committee are independent. An in-camera session is held at every Board committee meeting.

INDEPENDENCE OF CHAIR AND LEAD DIRECTOR

The Board Chair, John M. Beck, is not considered independent of the Corporation within the meaning of the CSA Guidelines and NI 52-110. The Lead Director, the Hon. Brian V. Tobin, P.C., O.C., is considered independent of the Corporation within the meaning of the CSA Guidelines. For a description of the mandate of the Board Chair and a description of the position of the Lead Director, please see Aecon's 2011 Circular under the Corporation's SEDAR profile at www.sedar.com. In the event of a vote of the Board that is tied, neither the Board Chair nor the Lead Director is entitled to an additional or tie-breaking vote.

BOARD INTERLOCKS

The CGNC Committee has reviewed the membership of Aecon's proposed nominees to the Board on the boards of other reporting issuers. No two proposed nominees to the Board are members of the same board of directors of another reporting issuer. As such, no independence issues arise from Board interlocks.

RETIREMENT POLICY AND TERM LIMITS

The Board does not believe it is appropriate to establish fixed term limits or a mandatory retirement age for directors and, as such, it has not adopted a formal retirement policy for directors. Although having term limits and a mandatory retirement age may serve to introduce fresh ideas and viewpoints to the Board, they pose the disadvantage of losing the contribution of directors who have valuable business experience upon which to draw and have been able to develop, over a period of time, increasing insight into both Aecon's operations and the industry in which it functions and, therefore, continue to provide a significant contribution to the Board and Aecon. As such, the Board believes that, on balance, neither term limits nor a mandatory retirement age are in the best interests of the Corporation.

As an alternative, the CGNC Committee reviews the appropriateness of each director's continuation on the Board once a year, which gives each director the opportunity to confirm such director's desire to continue as a member of the Board and to continue to make the time commitment required to be an effective director. As well, once a director reaches a certain age, which shall be determined on a case by case basis having regard to a wide variety of individual specific factors, his or her continued service on the Board will be reviewed annually by both the CGNC Committee and the Board as a whole.

Upon retirement or resignation from the Board, a director is not entitled to, nor does a director receive, any form of retirement compensation from the Corporation.

For additional information regarding the Board including continuing education of directors and orientation of new directors, the Board's monitoring of ethical behaviour, key position descriptions, the director nomination process, meeting attendance records of directors and succession planning, please see "Corporate Governance Matters" in this Section Ten.

NOMINATION OF DIRECTORS

The CGNC Committee is responsible for identifying and recommending candidates for election to the Board and all committees of the Board. As part of its mandate with respect to nominating functions, the CGNC Committee is responsible for: (i) developing the criteria, profile and qualifications for new nominees to fill vacancies on the Board and recommending same for approval of the Board; (ii) identifying, interviewing and recruiting new nominees to fill vacancies on the Board as may be required; (iii) recommending for the approval of the Board the nominees to stand for election as directors at each annual meeting of Shareholders or otherwise to be appointed by the Board to fill any vacancy on the Board from time to time; (iv) reviewing and recommending to the Board for approval, the need, composition, membership and chairmanship of all committees of the Board, ensuring they are comprised of entirely independent members; and (v) establishing an orientation program for new Board members.

In considering a potential candidate, the CGNC Committee considers both the qualities and skills that the Board, considered in its entirety, currently possesses (see "Election of Directors – Board Skills Matrix" in Section Two of this Circular for additional details regarding the expertise of the Board) and that the Board should possess. Based on the skills and experiences already represented on the Board, the CGNC Committee will consider the experience, personal attributes and qualities that a candidate should possess in light of the anticipated growth and development of the Corporation. For example, in light of Aecon's growth in Western Canada in recent years, three of the last four directors nominated to the Board were Alberta-based, adding valuable western Canadian perspective and experience to the Board. Moreover, the CGNC Committee recognizes the benefits of promoting diversity at the Board level. Diverse perspectives linked in common purpose contribute to innovation and growth

for the Corporation. In considering candidates and selecting nominees for the Board, diversity, including gender diversity, is an important factor considered by the CGNC Committee. In assessing a candidate's suitability, the CGNC Committee also takes into consideration the existing commitments of the individual to ensure that each member has sufficient time to discharge such member's duties.

Notwithstanding that the CGNC Committee is charged with the responsibility of identifying potential new Board members, all members of the Board are eligible to put forth candidates for the CGNC Committee to consider. Additionally, the Board may, and has in the past, engaged recruiting firms to assist with identifying qualified candidates. Once candidates have been approved by the CGNC Committee and their interest level gauged, the entire Board discusses, both formally and informally, the suitability of a particular candidate.

The CGNC Committee maintains an evergreen list of potential candidates for the Board, including a separate evergreen list of potential female candidates for the Board with a view to increasing the Board's gender diversity.

ORIENTATION OF NEW DIRECTORS

The Board is responsible for the orientation and education of new recruits to the Board and all new directors are provided with a directors' orientation manual which includes the directors' and officers' insurance policies maintained by the Corporation, a copy of key corporate policies, the Corporation's most recent significant public disclosure documents and the current business plan. Prior to or shortly after joining the Board, each new director will meet with the Chairman, the Vice Chairman and Lead Director, the Chief Executive Officer, the Chief Operating Officer and the Chief Financial Officer of the Corporation. Each individual is responsible for outlining the business and prospects of the Corporation, both positive and negative, with a view to ensuring that the new director is properly informed to commence his or her duties as a director. In addition, new directors are entitled to hold exclusive meetings with members of senior management in order to familiarize themselves with the various businesses and activities of Aecon. Each new director will also be given the opportunity to meet with the Corporation's independent external auditors and legal counsel to the Corporation as well as the chair of each committee of the Board.

CONTINUING EDUCATION

Members of the Board are regularly updated by management on the Corporation's activities and operations. Moreover, management arranges for Board members to make site visits to some of the Corporation's major projects to assist the Board in more fully understanding the scope and risks associated with those projects. In 2013, all Board members traveled to the Potash Corporation of Canada's mine site near Rocanville, Saskatchewan where the Corporation is executing a project valued at over \$250 million to install the interior of a new process mill. Messrs. Beck, Butt and Kindbom and Ms. Sloan each also attended the Corporation's Safety Day at various sites where the Corporation is performing work including (i) the TTC Sheppard South site where the Corporation is building the new Toronto Transit Commission's Sheppard West station, an integrated subway and GO Transit regional rail station and constructing subway tunnels; (ii) the Evan-Thomas Water Treatment and Wastewater Treatment Facility construction project in Alberta; and (iii) the Darlington Generating Station in Clarington, Ontario where the Corporation is carrying out the definition phase of the refurbishment of all four nuclear reactors.

There is a significant number of committee and Board meetings, both on a formal and informal basis. Historically, topics for presentation and discussion included, among others, financial and operational reviews; overviews of legal matters, regulatory matters and legislative developments impacting the Corporation, including, for example, implementation of procedures to address workplace harassment legislation, whistle blower requirements and development of a Code of Conduct policy; acquisition and divestiture opportunities; strategic planning; director duties; internal audit; health and safety matters; specific project updates; and the implications of implementing International Financial Reporting Standards with respect to the Corporation's accounting procedures. The Corporation also arranges for speakers to present at Board meetings. In May 2013, Mr. Peter

Tertzakian, the Chief Energy Economist and Managing Director of ARC Financial Corporation, an energy-focused private equity firm delivered a presentation to the Board on the subject of the global energy sector.

The Corporation believes a director must be well informed and takes a proactive approach in this regard. Typically, Board materials include information relating to current regulatory, accounting and financial issues and the directors regularly discuss these issues at the Board and committee level. The Corporation's independent external auditors and legal counsel regularly update the Corporation on recently enacted or proposed regulatory developments. In addition, Board members meet with senior management of the Corporation on an ongoing basis to review the business and affairs of the Corporation. The Hon. Brian V. Tobin, P.C., O.C., Vice Chairman and Lead Director of the Corporation, addresses developments in corporate governance matters as appropriate. As necessary, outside presentations are arranged for Board members and outside materials are circulated. The Director Education Reimbursement Policy assists directors in enhancing their expertise by attending continuing education programs at Aecon's expense. Moreover, the Chair of the CGNC Committee, together with the Chairman of the Board and CEO, arranges periodic education sessions throughout the year, including engaging relevant speakers.

STRATEGIC PLANNING

On an annual basis, the Board reviews and approves the Corporation's strategic plans. These plans include key initiatives, details of opportunities, risks, competitive position, financial projections and other key performance indicators for each of the principal business groups. The annual strategy session allows directors to gain a fuller appreciation of planning priorities and progress being made on strategic plans. Directors also give constructive feedback to management on the Corporation's strategic plans. The feedback from directors and management is a key input in planning for the next year's session. Directors also receive a strategic update on the progress of each of the principal business groups and major projects during the fiscal year.

DIRECTOR AND BOARD PERFORMANCE ASSESSMENT

In 2012, the Board instituted a formal annual assessment process with respect to the effectiveness of the Board and its committees, and the performance and contribution of individual directors, which includes a bi-annual peer review. In 2013, the Board introduced an annual formal feedback process consisting of one-on-one meetings between the Chair of the Board and each director. Assessment of the Board consists of a survey which is approved by the Chair of the CGNC Committee and the bi-annual assessment of directors consists of a peer evaluation which is based on a questionnaire approved by the Chair of the CGNC Committee. The evaluations ask questions about what was done well and what could be done better and cover Board and committee structure and composition, Board leadership, strategic planning, risk management, operational performance and Board processes and effectiveness. In addition, as part of the review process each committee bi-annually evaluates its effectiveness in carrying out the duties specified in its charter. The results of the Board evaluation are analyzed and reviewed by the Lead Director (except for the peer evaluation results in respect of the Lead Director, which are reviewed by the Chair of the CGNC Committee), who considers whether any changes to the Board's processes, composition or committee structure are appropriate. Additionally, senior management is advised of any suggestions made by directors for enhancement of processes to support the work of the Board.

SUCCESSION PLANNING

The Corporation's philosophy of promoting from within strengthens its values and culture and provides more options for succession. The Corporation complements this with selective external hiring to benefit from diverse experiences and fresh ideas. The Corporation holds senior leaders accountable for talent management and succession planning through a performance assessment process.

The CGNC Committee plays a key role in supporting the Board in its oversight of talent management and succession planning. Annually, the CGNC Committee reviews and discusses with management the composition of Aecon's leadership team. In December 2013, the CGNC Committee, at the Corporation's annual strategic and business plan meetings, reviewed the succession planning process and key potential succession candidates at both

the corporate and divisional levels. In March 2014, the Board announced that it will appoint Mr. Terrance L. McKibbin, currently President and Chief Operating Officer as the Corporation's President and Chief Executive Officer, effective as of the date of the Meeting. Mr. John M. Beck will become Executive Chairman and will continue to serve the Corporation on a full-time basis. This transition is a result of the Board's ongoing assessment of the Corporation's succession plan.

The Chief Executive Officer routinely discusses with the CGNC Committee the strengths and gaps of key succession candidates, development progress over the prior year and future development plans. There is also a systematic approach for the Board to meet and familiarize itself with potential succession candidates, including more junior executives.

SHAREHOLDER FEEDBACK AND COMMUNICATION

The Corporation views its Shareholders and other investors as owners and partners and it has procedures in place to provide effective communications with its Shareholders and investors. Senior management (being the Chairman and Chief Executive Officer, the Chief Operating Officer and the Chief Financial Officer) together with the Vice Chairman and Lead Director are all committed to being accessible. The Disclosure Committee currently consists of the: (i) Chief Financial Officer; (ii) Executive Vice President, Legal and Commercial Services; (iii) Senior Vice President, Corporate Affairs; (iv) Assistant Corporate Secretary; and (v) ad hoc members, as required from time-to-time, including the Chief Executive Officer, the Chief Operating Officer, the Controller and the Senior Vice President, Finance. The Disclosure Committee has implemented procedures to obtain and appropriately deal with feedback from its Shareholders.

The Corporation also communicates regularly with Shareholders through annual and quarterly reports. At the Corporation's annual meeting of Shareholders, a full opportunity is afforded for Shareholders and other interested persons to ask questions concerning the Corporation's business. The Corporation endeavours to provide each Shareholder and investor inquiry with a prompt response from an appropriate officer of the Corporation. Information about the Corporation, including annual reports, interim financial reports and recent news releases, is also available on the Corporation's website at www.aecon.com and under the Corporation's SEDAR profile at www.sedar.com. Correspondence to the Corporation or any of its directors and officers can be sent to the following address: 20 Carlson Court, Suite 800, Toronto, Ontario, Canada, M9W 7K6 or by fax to +1-416-940-2290. Shareholders who wish to ask questions or have comments about the Corporation's executive compensation should contact the Chair of the CGNC Committee at the address above.

BOARD EXPECTATIONS OF MANAGEMENT

Management is responsible for the day-to-day operations of the Corporation and is expected to implement Board approved strategic business plans and initiatives within the context of authorized budgets and corporate policies and procedures. The information which management provides to the Board is critical. Management is expected to report regularly to the Board in a comprehensive, accurate and timely fashion in respect of the business and affairs of the Corporation. The Board monitors the nature of the information requested by the Board and otherwise provided to it so that it can effectively identify issues and opportunities for the Corporation. The Chairman, with the assistance of the Lead Director, is responsible for the management, development and effective performance of the Board in a manner that ensures the Board is adequately informed and is an effective monitor of management.

At the same time, the Board recognizes that the operations of the Corporation, its strategies and, ultimately, its success, will depend on management being successful. The Board's responsibility is to monitor and supervise, not to manage and operate the business.

INSURANCE

The Corporation maintains insurance for the benefit of the directors and officers of the Corporation and of its subsidiaries against liability in their respective capacities. For the period January 1, 2013 through

December 31, 2013, the premium payable by the Corporation and the total amount of insurance purchased for the directors and officers as a group were \$98,671 (exclusive of applicable tax) and \$35,000,000 respectively. A deductible of \$100,000 applies where the Corporation indemnifies the director or officer where required or permitted by law or in the event of a securities claim against the Corporation and/or a director or officer. The Corporation also maintains coverage dedicated and exclusive to directors and officers for claims made against them when the Corporation cannot or will not indemnify the individual. The directors and officers are not required to pay any premium in respect of the insurance.

SHAREHOLDER PROPOSALS

In accordance with the provisions of the *Canada Business Corporations Act*, a Shareholder may be entitled to submit to the Corporation notice of any matter that the person proposes to raise at the next annual meeting of Shareholders and the Corporation shall set out such proposal and the accompanying supporting statement, if any, in the management information circular for the next annual meeting of Shareholders, provided such notice is given to the Corporation by February 9, 2015. No Shareholder proposals were received by the Corporation with respect to the Meeting before the cut-off date specified in the Corporation's management proxy circular in respect of its annual meeting of Shareholders held on June 11, 2013.

APPENDIX 1

CORPORATE GOVERNANCE PRACTICES

PURSUANT TO NATIONAL INSTRUMENT 58-101

	Governance Disclosure Requirement Under NI 58-101	Comment
1.(a)	Disclose the identity of directors who are independent.	As at May 7, 2014, Messrs. Beutel, Butt, Carrabba, Franceschini, Hole, Tobin and Ms. Sloan are independent directors. Please see "Election of Directors – Director Independence" in Section Two of the Circular to which this Appendix is attached.
(b)	Disclose the identity of directors who are not independent and describe the basis for that determination.	One Board member does not qualify as an independent director, namely, Mr. Beck, the Chairman and Chief Executive Officer of the Corporation. In addition, Mr. McKibbon, the President and Chief Operating Officer of the Corporation is standing for election as a director of the Corporation at the Meeting. Mr. Beck and Mr. McKibbon served as executive officers of the Corporation within the prior three-year period.
(c)	Disclose whether a majority of the directors are independent. If a majority of directors are not independent, describe what the Board does to facilitate its exercise of independent judgment in carrying out its responsibilities.	As at May 7, 2014, a majority of the directors of the Corporation (being eight of nine directors or 88.9%) are considered independent directors. If all proposed nominees for election as directors are elected, 77.8% of directors will be considered independent. For details regarding committees and independent membership, please see "Corporate Governance Matters – Board Committees" in Section Ten of the Circular to which this Appendix is attached.
(d)	If a director is presently a director of any other issuer that is a reporting issuer (or the equivalent) in a jurisdiction or a foreign jurisdiction, identify both the director and the other issuer.	All directorships with other public entities for each of the Board members, as applicable, are set forth in Section Two of the Circular to which this Appendix is attached under the heading "Election of Directors – Board Nominees".
(e)	Disclose whether the independent directors hold regularly scheduled meetings at which non-independent directors and members of management are not in attendance. If the independent directors hold such meetings, disclose the number of meetings held since the beginning of the issuer's most recently completed financial year. If the Board has neither a chair that is independent nor a lead director that is independent, describe what the Board does to provide leadership for its independent directors.	The Chief Executive Officer of the Corporation, John M. Beck, is also the Chairman of the Board. In the view of the Board, the fact that Mr. Beck occupies both offices does not impair the ability of the Board to act independently of management. Furthermore, as of the date of the Meeting, Mr. Beck will no longer serve as Chief Executive Officer of the Corporation and the position will be filled by Terrance L. McKibbon, the current President and Chief Operating Officer. The Hon. Brian V. Tobin, P.C., O.C., the Vice Chairman and Lead Director of the Board, who is an independent director, represents the Corporation's outside and independent directors in discussions with senior management on corporate governance issues and related matters.
(g)	Disclose the attendance record of each director for all Board meetings held since the beginning of the issuer's most recently completed financial year. 3.(a)	Disclose whether the Board has developed written position descriptions for the chair and the chair of each Board committee. If the Board has not developed written position descriptions for the chair and/or the chair of each Board committee, briefly describe how the Board delineates the role and responsibilities of each such position.	The Board has developed a written position description for the Chairman of the Board, the Chair of each Board committee and the Lead Director, each of which is attached to the 2011 Circular, incorporated by reference herein, which is available for review under the Corporation's SEDAR profile at www.sedar.com .
(b)	Disclose whether the Board and CEO have developed a written position description for the CEO. If the Board and CEO have not developed such a position description, briefly describe how the Board delineates the role and responsibilities of the CEO.	The Board and the Chief Executive Officer have developed a written position description for the Chief Executive Officer, which is attached to the 2011 Circular, incorporated by reference herein, which is available for review under the Corporation's SEDAR profile at www.sedar.com .
4.(a)	Briefly describe what measures the Board takes to orient new members regarding (i) the role of the Board, its committees and its directors; and (ii) the nature and operation of the issuer's business. 	Governance Disclosure Requirement Under NI 58-101	Comment
(b)	Briefly describe what measures, if any, the Board takes to provide continuing education for its directors. 	(ii) describe how the Board monitors compliance with its code, or if the Board does not monitor compliance, explain whether and how the Board satisfies itself regarding compliance with its code; and	Please see “Corporate Governance” and, in particular, “Board Oversight of Corporate Governance” in the Section Ten of the Circular to which this Appendix is attached.
	(iii) provide a cross-reference to any material change report filed since the beginning of the issuer’s most recently completed financial year that pertains to any conduct of a director or executive officer that constitutes a departure from the code.	The Board has not granted any waiver of the Code of Conduct in favour of any directors, officers or employees since its adoption by the Board. Accordingly, no material change report has been required or filed in this regard.
(b)	Describe any steps the Board takes to ensure directors exercise independent judgment in considering transactions and agreements in respect of which a director or executive officer has a material interest.	A majority of the Corporation’s directors are independent in that they are free from any interest and any business or other relationship which has materially affected or would materially affect the Corporation or any of its subsidiaries (please see “Interest of Informed Persons in Material Transactions” and “Election of Directors – Director Independence” in Sections Eight and Two, respectively, of the Circular to which this Appendix is attached). Please see “Corporate Governance Matters – Director Performance Review” in Section Ten of the Circular to which this Appendix is attached.

APPENDIX 2

CORPORATE GOVERNANCE, NOMINATING AND COMPENSATION COMMITTEE CHARTER

Overview and Purpose

The Corporate Governance, Nominating and Compensation Committee (the “**Committee**”) is responsible for performing the duties set out in this Charter to enable the board of directors (the “**Board**”, and each director, a “**Director**”) to discharge its responsibilities and obligations with respect to:

- developing an effective corporate governance system for Aecon Group Inc. (the “**Corporation**”);
- reviewing and assessing on an ongoing basis the Corporation’s corporate governance and public disclosure;
- identifying and recommending candidates for election to the Board and all committees of the Board;
- developing and reviewing compensation plans, particularly those relating to executive officers, senior management, Board members and committee members, as well as providing guidance on the Corporation’s overall compensation structure;

8.05 Share Certificates - Every holder of one or more shares of the Corporation shall be entitled, at the holder's option, to a share certificate, or to a non-transferable written acknowledgement of such right to obtain a share certificate, stating the number and class or series of shares held by such holder as shown on the securities register. Subject to the Act, such certificates shall be in such form as the board may from time to time approve. Any such certificate shall be signed in accordance with section 2.04 and need not be under the corporate seal. Notwithstanding the foregoing, unless the board otherwise determines, certificates representing shares in respect of which a transfer agent and/or registrar has been appointed shall not be valid unless countersigned by or on behalf of such transfer agent and/or registrar. The signature of one of the signing officers under section 2.04 or, in the case of a certificate which is not valid unless countersigned by or on behalf of a transfer agent and/or registrar and in the case of a certificate which does not require a manual signature under the Act, the signatures of both signing officers under section 2.04 may be printed or otherwise mechanically reproduced in facsimile thereon. Every such facsimile signature shall for all purposes be deemed to be the signature of the officer whose signature it reproduces and shall be binding upon the Corporation. A certificate executed as aforesaid shall be valid notwithstanding that one or both of the officers whose facsimile signature appears thereon no longer holds office at the date of issue of the certificate.

8.06 Replacement of Share Certificates - The board or any officer or agent designated by the board may direct the issue of a new share or other such certificate in lieu of and upon cancellation of a certificate that has been mutilated or in substitution for a certificate claimed to have been lost, destroyed or wrongfully taken on payment of such reasonable fee and on such terms as to indemnity, reimbursement of expenses and evidence of loss and of title as the board may from time to time prescribe, whether generally or in any particular case.

8.07 Joint Shareholders - If two or more persons are registered as joint holders of any share, the Corporation shall not be bound to issue more than one certificate in respect thereof, and delivery of such certificate to one of such persons shall be sufficient delivery to all of them. Any one of such persons may give

effectual receipts for the certificate issued in respect thereof or for any dividend, bonus, return of capital or other money payable or warrant issuable in respect of such share.

8.08 Deceased Shareholders - In the event of the death of a holder, or of one of the joint holders, of any share, the Corporation shall not be required to make any entry in the securities register in respect thereof or to make any dividend or other payments in respect thereof except upon production of all such documents as may be required by law and upon compliance with the reasonable requirements of the Corporation and its transfer agents.

8.09 Transfer Agents and Registrars - The board may from time to time appoint one or more agents to maintain, in respect of each class of shares of the Corporation issued by it, a central securities register and one or more branch securities registers. Any dividend unclaimed after a period of six years from the date on which the same has been declared to be payable shall be forfeited and shall revert to the Corporation.

9.02 Dividend Cheques - A dividend payable in money shall be paid by cheque to the order of each registered holder of shares of the class or series in respect of which it has been declared and mailed by prepaid ordinary mail to such registered holder at the holder's recorded address, unless such holder otherwise directs. In the case of joint holders the cheque shall, unless such joint holders otherwise direct, be made payable to the order of all of such joint holders and mailed to them at their recorded address. The mailing of such cheque as aforesaid, unless the same is not paid on due presentation, shall satisfy and discharge the liability for the dividend to the extent of the sum represented thereby plus the amount of any tax which the Corporation is required to and does withhold. In the event of non-receipt of any dividend cheque by the person to whom it is sent as aforesaid, the Corporation shall issue to such person a replacement cheque for a like amount on such terms as to indemnity, reimbursement of expenses and evidence of non-receipt and of title as the board may from time to time prescribe, whether generally or in any particular case.

9.03 Record Date - The board may, within the prescribed period, fix in advance a date as the record date for the purpose of determining shareholders entitled to receive payment of a dividend and notice of the record date shall be given within the prescribed period in the manner provided by the Act. If no date is so fixed, the record date for the determination of the shareholders entitled to receive payment of any dividend or for such other purposes shall be at the close of business on the day on which the directors pass the resolution relating thereto.

SECTION TEN

MEETINGS OF SHAREHOLDERS

10.01 Annual Meetings - Subject to the Act, the board shall call an annual meeting of shareholders: (a) not later than 18 months after the Corporation comes into existence; and (b) subsequently, not later than 15 months after holding the last preceding annual meeting but no later than six months after the end of the Corporation's preceding financial year. The annual meeting of shareholders shall be held for the purpose of considering the financial statements and reports required by the Act to be placed before the annual meeting, electing directors, appointing auditors and for the transaction of such other business as may properly be brought before the meeting.

10.02 Special Meetings - The board shall have power to call a special meeting of shareholders at any time.

10.03 Place of Meetings - Meetings of shareholders shall be held at the registered office of the Corporation or elsewhere in Canada if the board shall so determine. A meeting of shareholders may be held at a place outside Canada if the place is specified in the articles or all the shareholders entitled to vote at the meeting agree that the meeting is to be held at that place. A shareholder who attends a meeting of shareholders held outside Canada is deemed to have agreed to it being held outside Canada except when the shareholder attends the meeting for the express purpose of objecting to the transaction of any business on the grounds that the meeting is not lawfully held. A meeting held pursuant to section 10.05 shall be deemed to be held at the place where the registered office of the Corporation is located.

10.04 Participation in Meeting by Electronic Means - Any person entitled to attend a meeting of shareholders may participate in the meeting, in accordance with the Act, by means of a telephonic, electronic or other communication facility that permits all participants to communicate adequately with each other during the meeting, if the Corporation makes available such a communication facility. A person participating in a meeting by such means is deemed for the purposes of the Act to be present at the meeting.

10.05 Meeting held by Electronic Means - If the directors or the shareholders of the Corporation call a meeting of shareholders pursuant to the Act, those directors or shareholders, as the case may be, may determine that the meeting shall be held, in accordance with the Act, entirely by means of a telephonic, electronic or other communication facility that permits all participants to communicate adequately with each other during the meeting.

10.06 Notice of Meetings - Notice of the time and place of each meeting of shareholders shall be given in the manner provided in Section Eleven within the prescribed period to each director, to the auditor, and to each shareholder who at the close of business on the record date for notice is entered in the securities register as the holder of one or more shares carrying the right to vote at the meeting. Notice of a meeting of shareholders called for any purpose other than consideration of the financial statements and auditor's report, election of directors and reappointment of the incumbent auditor shall state the nature of such business in sufficient detail to permit the shareholder to form a reasoned judgment thereon and shall state the text of any special resolution to be submitted to the meeting.

10.07 List of Shareholders Entitled to Notice - For every meeting of shareholders, the Corporation shall prepare a list of shareholders entitled to receive notice of the meeting, arranged in alphabetical order and showing the number of shares held by each shareholder entitled to vote at the meeting, within the time period required by the Act. If a record date for notice of the meeting is fixed pursuant to section 10.08, the shareholders listed shall

be those registered at the close of business on such record date. If no record date for notice is fixed, the shareholders listed shall be those registered at the close of business on the day immediately preceding the day on which notice of the meeting is given or, where no such notice is given, on the day on which the meeting is held. The list shall be available for examination by any shareholder during usual business hours at the registered office of the Corporation or at the place where the central securities register is maintained and at the meeting for which the list was prepared. Where a separate list of shareholders has not been prepared, the names of persons appearing in the securities register at the requisite time as the holder of one or more shares carrying the right to vote at such meeting shall be deemed to be a list of shareholders.

10.08 Record Date for Notice - The board may, within the prescribed period, fix in advance a date as the record date for the purpose of determining the shareholders entitled to vote at a meeting of shareholders and notice of the record date shall be given within the prescribed period in the manner provided by the Act. If no such record date is so fixed, the record date for the determination of the shareholders entitled to receive notice of the meeting shall be at the close of business on the day immediately preceding the day on which the notice is given or, if no notice is given, shall be the day on which the meeting is held.

10.09 Meetings Without Notice - A meeting of shareholders may be held without notice at any time and place permitted by the Act (a) if all the shareholders entitled to vote thereat are present or duly represented or if those not present or represented waive notice of or otherwise consent to such meeting being held, and (b) if the auditors and the directors are present or waive notice of or otherwise consent to such meeting being held; so long as such shareholders, auditors or directors present are not attending for the express purpose of objecting to the transaction of any business on the grounds that the meeting is not lawfully called. At such a meeting any business may be transacted which the Corporation at a meeting of shareholders may transact. If the meeting is held at a place outside Canada, shareholders not present or duly represented, but who have waived notice of or otherwise consented to such meeting, shall also be deemed to have consented to the meeting being held at such place.

10.10 Chair, Secretary and Scrutineers - The chair of any meeting of shareholders shall be the first mentioned of such of the following officers as have been appointed and who is present at the meeting: chair of the board, the chief executive officer, president, or a vice president who is a shareholder. If no such officer is present within 15 minutes from the time fixed for holding the meeting, the persons present and entitled to vote shall choose one of their number to be chair. If the secretary of the Corporation is absent, the chair shall appoint some person, who need not be a shareholder, to act as secretary of the meeting. If desired, one or more scrutineers, who need not be shareholders, may be appointed by a resolution or by the chair with the consent of the meeting.

10.11 Persons Entitled to be Present - The only persons entitled to be present at a meeting of shareholders shall be those entitled to vote thereat, the directors and auditor of the Corporation and others who, although not entitled to vote, are entitled or required under any provision of the Act or the articles or by-laws to be present at the meeting. Any other person may be admitted only on the invitation of the chair of the meeting or with the consent of the meeting.

10.12 Quorum - Subject to the Act, a quorum for the transaction of business at any meeting of shareholders shall be two persons present in person, each being a shareholder entitled to vote thereat or a duly appointed proxyholder or representative for an absent shareholder so entitled and together holding or representing in the aggregate not less than twenty-five per cent (25%) of the outstanding shares of the Corporation entitled to vote at the meeting. If a quorum is present at the opening of any meeting of shareholders, the shareholders present or represented may proceed with the business of the meeting notwithstanding that a quorum is not present throughout the meeting. If a quorum is not present at the opening of any meeting of

shareholders, the shareholders present or represented may adjourn the meeting to a fixed time and place but may not transact any other business.

10.13 Right to Vote - The board may, within the prescribed period, fix in advance a date as the record date for the purpose of determining the shareholders entitled to vote at a meeting of shareholders and notice of the record date shall be given within the prescribed period in the manner provided by the Act. If a record date for voting is fixed, the Corporation shall prepare, within the time period required by the Act, an alphabetical list of shareholders who are entitled to vote as of the record date that shows the number of shares held by each shareholder. If no record date for voting is fixed, the Corporation shall prepare, within the time period required by the Act, an alphabetical list of shareholders who are entitled to vote as of the record date determined under the Act that shows the number of shares held by each shareholder. Each shareholder whose name appears on the list prepared as aforesaid is entitled to vote the shares shown opposite their name at the meeting to which the list relates.

10.14 Proxyholders and Representatives - Every shareholder entitled to vote at a meeting of shareholders may appoint a proxyholder, or one or more alternate proxyholders, to attend and act as the shareholder's representative at the meeting in the manner and to the extent authorized and with the authority conferred by the proxy. A proxy shall be in writing executed by the shareholder or the shareholder's attorney authorized in writing and shall conform with the requirements of the Act. The Corporation shall recognize any individual authorized by a resolution of the directors or governing body of a body corporate or association to represent it at a meeting of shareholders and such individual may exercise on the shareholder's behalf all the powers it could exercise if it were an individual shareholder. The authority of such an individual shall be established by depositing with the Corporation a certified copy of such resolution, or in such other manner as may be satisfactory to the secretary of the Corporation or the chair of the meeting. Any such proxyholder or representative need not be a shareholder.

10.15 Time for Deposit of Proxies - The board may specify in a notice calling a meeting of shareholders a time, preceding the time of such meeting by not more than 48 hours, excluding Saturdays and holidays, before which time proxies to be used at such meeting must be deposited. A proxy shall be acted upon only if, prior to the time so specified, it shall have been deposited with the Corporation or an agent thereof specified in such notice or if, no such time having been specified in such notice, it has been received by the secretary of the Corporation or by the chair of the meeting or any adjournment thereof prior to the time of voting.

10.16 Joint Shareholders - If two or more persons hold shares jointly, any one of them present or duly represented at a meeting of shareholders may, in the absence of the other or others, vote the shares; but if two or more of those persons are present or represented and vote, they shall vote as one the shares jointly held by them.

10.17 Votes to Govern - At any meeting of shareholders every question shall, unless otherwise required by the articles or by-laws or by law, be determined by a majority of the votes cast on the question. In case of an equality of votes either upon a show of hands or upon a poll, the chair of the meeting shall not be entitled to a second or casting vote.

10.18 Show of Hands - Subject to the Act, any question at a meeting of shareholders shall be decided by a show of hands, unless a ballot thereon is required or demanded as hereinafter provided. Upon a show of hands every person who is present and entitled to vote shall have one vote, subject to any provision of the Act restricting the ability of a proxyholder or alternate proxyholder to vote by way of show of hands where such person has conflicting instructions from more than one shareholder. Whenever a vote by show of hands shall have been taken upon a question, unless a ballot thereon is so required or demanded, a declaration by the chair of the meeting that the vote upon the question has been carried or carried by a particular majority or defeated and an entry to that effect in the minutes of the meeting shall be prima facie proof of the fact without proof of the

number or proportion of the votes recorded in favour of or against any resolution or other proceeding in respect of the said question, and the result of the vote so taken shall be the decision of the shareholders upon the said question. Any vote referred to in section 10.17 and this section 10.18 may be held, subject to and in accordance with the Act, partly or entirely by means of a telephonic, electronic or other communication facility, if the Corporation makes available such a communication facility. Any person participating in a meeting of shareholders under section 10.04 or 10.05 and entitled to vote at that meeting may vote, subject to and in accordance with the Act by means of the telephonic, electronic or other communication facility that the Corporation has made available for that purpose.

10.19 Ballots - On any question proposed for consideration at a meeting of shareholders, and whether or not a show of hands has been taken thereon, the chair may require a ballot or any person who is present and entitled to vote on such question at the meeting may demand a ballot. A ballot so required or demanded shall be taken in such manner as the chair shall direct. A requirement or demand for a ballot may be withdrawn at any time prior to the taking of the ballot. If a ballot is taken each person present shall be entitled, in respect of the shares which such person is entitled to vote at the meeting upon the question, to that number of votes provided by the Act or the articles, and the result of the ballot so taken shall be the decision of the shareholders upon the said question.

10.20 Adjournment - The chair at a meeting of shareholders may, with the consent of the meeting and subject to such conditions as the meeting may decide, adjourn the meeting from time to time and from place to place. If a meeting of shareholders is adjourned for less than 30 days, it shall not be necessary to give notice of the adjourned meeting, other than by announcement at the earliest meeting that is adjourned. Subject to the Act, if a meeting of shareholders is adjourned by one or more adjournments for an aggregate of 30 days or more, notice of the adjourned meeting shall be given as for an original meeting.

SECTION ELEVEN

NOTICES

11.01 Method of Giving Notices - Any notice (which term includes any communication or document) to be given (which term includes sent, delivered or served) pursuant to the Act, the articles, the by-laws or otherwise to a shareholder, director, officer, auditor or member of a committee of the board shall be sufficiently given, subject to any provisions in the Act regarding certain types of communications or documents, if delivered personally to the person to whom it is to be given; if delivered to the person's recorded address or if mailed to such person at such recorded address by prepaid ordinary mail; if sent to such person at such recorded address by any means of prepaid transmitted or recorded communication; or by providing an electronic document subject to and in accordance with the Act. A notice so delivered shall be deemed to have been received when it is personally delivered; a notice so mailed shall be deemed to be received at the time it would be delivered in the ordinary course of mail and a notice so sent shall be deemed to have been received on the day it is transmitted. The secretary may change or cause to be changed the recorded address of any shareholder, director, officer, auditor or member of a committee of the board in accordance with any information believed by the secretary to be reliable.

11.02 Notice to Joint Shareholders - If two or more persons are registered as joint holders of any share, any notice may be addressed to all such joint holders, but notice addressed to one of such persons shall be sufficient notice to all of them.

11.03 Computation of Time - In computing the date when notice must be given under any provision requiring a specified number of days' notice of any meeting or other event, the day of giving the notice shall be excluded and the day of the meeting or other event shall be included.

11.04 Undelivered Notices - If any notice given to a shareholder pursuant to section 11.01 is returned on two consecutive occasions because the shareholder cannot be found, the Corporation shall not be required to give any further notices to such shareholder until informed in writing by the shareholder of a new address.

11.05 Omissions and Errors - The accidental omission to give any notice to any shareholder, director, officer, auditor or member of a committee of the board or the non-receipt of any notice by any such person or any error in any notice not affecting the substance thereof shall not invalidate any action taken at any meeting held pursuant to such notice or otherwise founded thereon.

11.06 Persons Entitled by Death or Operation of Law - Every person who, by operation of law, transfer, death of a shareholder or any other means whatsoever shall become entitled to any share, shall be bound by every notice in respect of such share which shall have been duly given to the shareholder from whom such person derives title to such share prior to the name and address of such person being entered on the securities register (whether such notice was given before or after the happening of the event upon which such person became so entitled) and prior to such person furnishing to the Corporation the proof of authority or evidence of entitlement prescribed by the Act.

11.07 Waiver of Notice - Any shareholder, proxyholder, director, officer, auditor or member of a committee of the board, or any other person entitled to receive notice of a meeting of shareholders or any other notice from the Corporation, may at any time waive any notice, or waive or abridge the time for any notice,

required to be given to such person under the Act, the articles, the by-laws or otherwise, and such waiver or abridgement, whether given before or after the meeting or other event of which notice is required to be given, shall cure any default in the giving or in the time of such notice, as the case may be. Any such waiver or abridgement shall be in writing except a waiver of notice of a meeting of shareholders or of the board or a committee of the board which may be given in any manner.

11.08 Interpretation - In the by-laws, “recorded address” means: in the case of a shareholder, the address as recorded in the securities register; in the case of joint shareholders, the address appearing in the securities register in respect of such joint holding or the first address so appearing if there are more than one; and in the case of a director, officer, auditor or member of a committee of the board, the latest address as shown in the records of the Corporation.

11.09 Electronic Documents - A requirement under these by-laws that a notice, document or other information be provided in writing may be satisfied by providing an electronic document and a requirement under these by-laws for a signature or that a document be executed, in relation to an electronic document, may be satisfied, in each case, if the requirements in the Act in respect thereof are met.

SECTION TWELVE

EFFECTIVE DATE AND REPEAL

12.01 Effective Date - This by-law shall come into force when made by the board in accordance with the Act.

12.02 Repeal - All previous by-laws of the Corporation are repealed as of the coming into force of this by-law. Such repeal shall not affect the previous operation of any by-law so repealed, or affect the validity of any act done or right, privilege, obligation or liability acquired or incurred under, or the validity of any contract or agreement made pursuant to, or the validity of any articles (as defined in the Act) or predecessor charter documents of the Corporation obtained pursuant to, any such by-law prior to its repeal. All officers and persons acting under any by-law so repealed shall continue to act as if appointed under the provisions of this by-law and all resolutions of the shareholders or the board or a committee of the board with continuing effect passed under any repealed by-law shall continue to be good and valid except to the extent inconsistent with this by-law and until amended or repealed.
