**Client**

Société immobilière du Québec

---

**Location**

Montreal, Quebec

---

**Project Value**

220 M\$

---

**Type of Project**

Design-Build

---

**Project Details**

This design-build project involves a substantial addition and renovation to the existing Montreal Convention Centre to increase the area to 250,000 square feet. The Convention Centre has remained fully operational throughout construction.

In addition to the expansion of the actual Convention Centre, the project also involves construction of underground parking and major civil works to overhead road crossings.
