**LEO ALARIE AND SONS
CONSTRUCTION LTD.**

CLIENT:

Bird Construction Company (GC)

CONTRACT VALUE:

\$435,000

PROJECT LOCATION:

Guelph, Ontario

CONSTRUCTION PERIOD

Commenced: August 2009

Completion: September 2009

PROJECT DETAILS:

Construction consists of:

Erecting a light weight Pre Engineered steel building on the top of a five story concrete building. The steel building is to act as "a shed area" for the building's service equipment.

Noteworthy Activities:

Redesigning what was to be a conventional steel building, into a Pre-engineered building.
